

Federal and California Emissions Warranties Parts List

All emissions-related components are covered for a minimum of 3 years or 36,000 miles, whichever comes first. The components listed, depending on location, receive extended coverage. **Federal** warranty coverage applies to all vehicles registered and normally operated in all states other than California, Connecticut, Massachusetts, Maine, New Jersey, Oregon, Pennsylvania, Rhode Island, Vermont, or Washington. **California** warranty coverage applies to all vehicles registered and normally operated in California, Connecticut, Massachusetts, Maine, New Jersey, Oregon, Pennsylvania, Rhode Island, Vermont, and Washington. **PZEV** warranty coverage applies to all vehicles with PZEV emissions certification that are registered and normally operated in California, Connecticut, Massachusetts, Maine, New Jersey, New York, Rhode Island, and Vermont. Refer to the under-hood tune-up label to see if your vehicle has PZEV emissions certification. If you're still not sure if your vehicle has PZEV emissions certification, or if you want to obtain an updated list, contact your authorized Honda dealer, Honda Customer Service (see inside front cover), or go online to www.honda.com.
