

Federal and California Emissions Warranties Parts List

This list details the components covered and the warranty duration in years and miles, whichever comes first. Your vehicle may not be equipped with all of the parts listed.

The **FED (Federal)** column applies to all vehicles registered and normally operated in all states other than California, Connecticut, Massachusetts, Maine, and Vermont.

The **CA (California)** column applies to all vehicles registered and normally operated in California, Connecticut, Massachusetts, Maine, or Vermont.

PZEV warranty coverage applies to all vehicles with PZEV emissions certification that are registered and normally operated in California, Connecticut, Massachusetts, Maine, New York, and Vermont. Refer to the under-hood tune-up

label to see if your vehicle has PZEV emissions certification. If you're still not sure if your vehicle has PZEV emissions certification or if you want an updated parts list, contact your dealer or Honda Automobile Customer Service (see inside front cover), or go online to www.hondacars.com and select Owner Link.

Miscellaneous Parts that are used in conjunction with the items in this list are covered. Some examples are clamps, brackets, piping, nuts, bolts, fasteners, switches, sensors, solenoids, wires, harnesses, connectors, seals, and gaskets.

^{*1} Fuel filter replacement and fuel tank flushing are covered when contamination results from a defect in material or workmanship.

^{*2} Covered up to the first required replacement only; see the maintenance schedule in the owner's manual.
