Entering a Destination Using Voice Control

Press and release the NAVI TALK button before giving each command.

1 Say "Display menu."

2 Say "Address."

3 Say "City" (or "Change state" if necessary).

4 Say the name of the city you want, or say "Current city" to select the city currently shown.
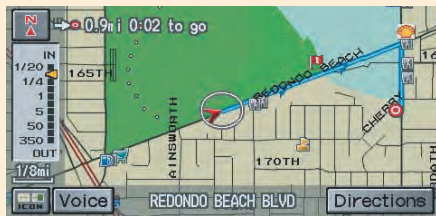

5 A list of city names will appear. Say the number listed next to the city you want to select.

6 Say the street name. Do not include the direction (N, S, E, W) or type (St., Ave., Blvd., etc.).

7 A list of street names will appear. Say the number listed next to the street you want to select.

8 Say the entire street address number. For example, "1-2-5-0."

9 The system will calculate the route and display the "Calculate route to" screen. Say "OK" to set the route.

Check your owner's manual for more information and instructions.

### *Entering a Destination Using the "Find Nearest" Command*

Try these simple steps to find a nearby point of interest, such as a gas station, movie theater, or restaurant.

**Press and release the NAVI TALK button before giving each command.**
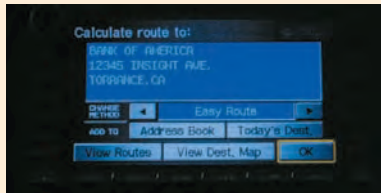

1. Say "Find nearest ATM."

2. A list of the nearest ATMs in your area will be displayed by shortest distance to destination.

3. Say the number of the destination you want.

4. The system will calculate the route and display the "Calculate route to" screen. Say "OK" to set the route.
