

Real-time navigation system uses GPS and a map database to show your current location and help guide you to a desired destination.

Entering a Destination

Using Voice Control

Press and release the Navi Talk button before you give a command.

1. Say "Display menu," then say "Address."
4. Say the entire street address number. For example, "1-2-3-4."

2. Say "Street," then say the street name. Do not include the direction (N, S, E, W) or type (St., Ave., Blvd., etc.).
5. If the street address is in more than one city, a list of city names appears. Say the number next to the city you want.

3. A list of street names appears. Say the number next to the street you want.
6. The system calculates the route and displays the "Calculate route to" screen. Say "OK" to set the route.

Using the Find Nearest Command

Try these simple steps to find a nearby point of interest, such as a gas station, movie theater, restaurant, etc.

Press and release the Navi Talk button before you give a command.

1. Say "Find nearest ATM."
3. Say the number you want to select.

2. A list of the nearest ATMs in your area is displayed by shortest distance to destination.
4. The system calculates the route and displays the "Calculate route to" screen. Say "OK" to set the route.
