## BLUETOOTH® HANDSFREELINK® (HFL) (models with navigation)

Place and receive phone calls through your vehicle's audio system. Visit handsfreelink.honda.com to check if your phone is compatible.

To prevent driver distraction, certain manual and touch screen functions may be inoperable or grayed out while the vehicle is moving. Voice commands are always available.

### How to Use HFL

Pick-Up button: Answer an incoming call, or go directly to the Phone screen.

Hang-Up/Back button: End a call, decline an incoming call, or cancel a selection.

Talk button: Give HFL commands.

# Pairing Your Phone

#### Press and release the Talk button before you give a command.

1. Press the Pick-Up button to access the Phone screen. A prompt appears. Say "Yes."

discovery mode, and say "OK."

HFL searches for your phone. Select it when it appears on the list. Go to step 4.

Select "Find Another Phone" and search for a HandsFreeLink

If your phone does not appear:

device from your phone. Connect to HFL. Go to step 4.

Enter it on your phone when prompted. Select OK to complete.

NOTE: To pair another phone to HFL (or if the prompts do not appear), you must use the Phone Setup menu. See your Owner's Manual for pairing instructions.

### Making a Call
