

HondaLink featuring Aha™

Access music and entertainment programming, location-based services, and social media sites through your vehicle's audio system. Download the HondaLink app to your phone prior to using this feature at owners.honda.com/apps. Visit handsfreelink.honda.com to check if this feature is available on your phone. Standard data rates apply.

Playing Aha

1. *For Bluetooth connection:* Make sure your phone is paired to *Bluetooth® HandsFreeLink®* and the screen is on and unlocked.

For USB connection: **Connect** the dock connector to the USB port.

2. **Press SOURCE.**

3. **Press** the Aha icon on the second screen and streaming begins.

4. From the screen, **select** items such as Like/Dislike and Play/Pause.

Press Stations to select from 16 favorite stations.

Press MENU to access the complete station list.

Notes:

- You can select Bluetooth or USB priority connection in the Audio Settings menu. This establishes what kind of connection will happen every time you turn your vehicle on.
- iPhone can connect via Bluetooth or USB; Android can connect via Bluetooth only.
- If you cannot operate Aha through the audio system, it may be streaming through *Bluetooth®* Audio. Make sure the Aha source on your audio system is selected.
