

## HondaLink featuring Aha™

Access music and entertainment programming, location-based services, and social media sites through your vehicle's audio system. Download the HondaLink app to your phone prior to using this feature at [owners.honda.com/apps](http://owners.honda.com/apps). Visit [handsfreelink.honda.com](http://handsfreelink.honda.com) to check if this feature is available on your phone. Standard data rates apply.

### Playing Aha

1. For Bluetooth connection: Make sure your phone is paired to Bluetooth® HandsFreeLink® and the screen is on and unlocked.

For USB connection: **Connect** the dock connector to the USB port.

2. Press SOURCE.

3. Press the Aha icon on the second screen and streaming begins.

4. From the screen, **select** items such as Like/Dislike and Play/Pause.

**Press** Stations to select from 16 favorite stations.

**Press** MENU to access the complete station list.

#### Notes:

- You can select Bluetooth or USB priority connection in the Audio Settings menu. This establishes what kind of connection will happen every time you turn your vehicle on.
- iPhone can connect via Bluetooth or USB; Android can connect via Bluetooth only.
- If you cannot operate Aha through the audio system, it may be streaming through Bluetooth® Audio. Make sure the Aha source on your audio system is selected.
