

REARVIEW CAMERA

For added convenience, the area behind your vehicle is displayed to help you navigate while in Reverse (R).

How It Works

- When you shift into Reverse, a real-time image of the area behind your vehicle is shown, along with helpful parking guide lines on models without navigation.
- The display turns off when you shift out of Reverse.

Models without navigation

Press and hold the power button for 3 seconds to turn the guide lines off. Repeat to turn back on.

Models with navigation

Press ZOOM (▲ / ▼) to adjust the screen brightness.
