

PANDORA®

Play and operate Pandora from your iPhone® through your vehicle's audio system. Standard data rates apply.

Playing Pandora

1. Pull out the USB adapter cable from the center console.

Connect the USB dock connector to your iPhone cable.

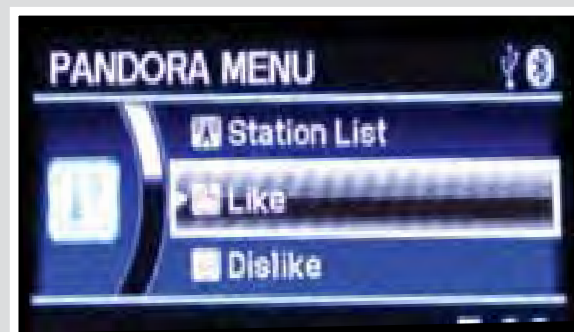

2. Open Pandora from your phone. Press SOURCE or AUX until Pandora mode appears and streaming begins.

3. Press the selector knob to enter the Pandora menu.

4. You can select items such as the Station List, SKIP, Like/Dislike, and Pause/Resume.*

**Menu functions not available on all phones. iPhone is a trademark of Apple, Inc.*

Notes:

- If Pandora is not selected from your phone, iPod music is played.
- A pop-up may appear on your phone requesting you to allow access for Pandora to be launched.
- If you cannot operate Pandora through the audio system, it may be streaming through *Bluetooth®* Audio. Make sure the Pandora source on your audio system is selected. If Pandora still does not operate, you may have to reconnect the cable.
- Connect your phone only when your vehicle is stopped.
