MULTI-VIEW REAR CAMERA

For added convenience, the area behind your vehicle is displayed to help you navigate while backing up.

How It Works

- When you shift into Reverse (R), a real-time image of the area behind your vehicle is shown in the upper display, along with helpful parking guidelines.
- Press the selector knob to toggle between views.
- The display turns off when you shift out of Reverse.

Normal

Top down

Changing Settings

Turn the guidelines on or off.

- I. Press and hold DISP to go to the Settings screen. Use the selector knob to make and enter selections.
- 2. Select Camera Settings.
- 3. Select Rear Camera.
- 4. Select one of the options.

Fixed Guidelines: Guidelines appear when you shift into Reverse. Select On or Off.

Dynamic Guidelines: Guidelines move as you turn the steering wheel. Select On or Off.

5. Press BACK to exit the menu.
