

## BASIC AUDIO OPERATION

Operate basic controls of your audio system using several convenient methods.

### Steering Wheel Controls

**MODE button:**  
Change audio source.

**VOL (▲) button:**  
Increase volume.

**VOL (▼) button:**  
Decrease volume.

**CH (+) button:**  
Go to next station or track.

**CH (-) button:**  
Go to previous station or track.

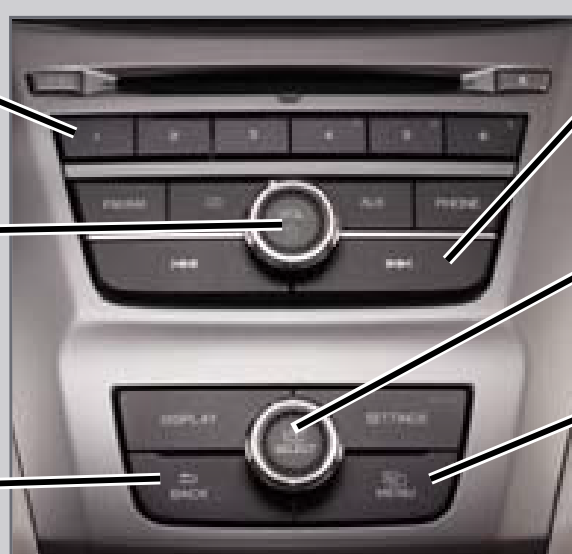

### Audio System Controls

Select various controls depending on the audio source being played.

**Preset buttons:**  
Select preset stations or other options.

**Volume/power knob:**  
Adjust volume or turn audio on or off.

**BACK button:**  
Go back to the previous screen.

**Skip/Seek buttons:**  
Change stations, tracks, etc.

**Selector knob:**  
Select audio options.

**MENU button:**  
Display menu items for certain audio modes.

### USB Connection

Connect an iPhone or iPod dock connector or a USB flash drive to the USB port below the system.

## BLUETOOTH® AUDIO

Play audio files from your compatible phone through your vehicle's audio system. Visit [handsfreelink.honda.com](http://handsfreelink.honda.com) to check if this feature is compatible with your phone.

### Playing Bluetooth Audio

1. Make sure your phone is on and paired to *Bluetooth®* HandsFreeLink® and the screen is on and unlocked.
2. Press AUX until Bluetooth Audio appears on the display.
3. From your phone, open the desired audio player or app and begin playing. Sound is redirected to the audio system. Make sure the volume on your phone is properly adjusted.
4. Use the steering wheel or audio system controls to change tracks.

#### Notes:

- You may need to enable additional settings on your phone for playback.
- The play/pause function and remote audio controls are not supported on all phones.
- Operate your phone only when your vehicle is stopped.

## iPod® OR USB FLASH DRIVE

Play audio files from your compatible iPod or USB flash drive through your vehicle's audio system.

### Playing Audio Files

1. Connect the iPod dock connector or USB flash drive to the USB port.
2. Press AUX until iPod or USB appears on the display.
3. Use the steering wheel or audio system controls to change tracks.

**Note:** Connect your device only when your vehicle is stopped.

*iPod is a trademark of Apple, Inc. iPod not included.*

### Searching for Music

Use the selector knob to make and enter selections.

1. Press MENU.
2. Select Music Search.
3. Select a category or folder, and select the track you want to play.
