Customer Satisfaction

Your complete satisfaction with your Honda automobile is our main goal. Personnel at authorized Honda automobile dealerships are trained to provide the best service for your vehicle.

If you are not satisfied with any maintenance or repair work done by the dealership, follow these three steps:

STEP 1

Talk over your concerns with the dealership's management, such as the Service Manager or General Manager. In most cases, a satisfactory solution is found at this step.

STEP 2

We recognize that, on some occasions, a customer will not be totally satisfied with a dealer's decision or actions in Step 1. If this is the case, you should call or write

Honda Automobile Customer Service. The address and telephone number are on the inside front cover of this booklet.

Please provide the following information:

- Year, model, and Vehicle Identification Number (VIN) of your vehicle, and its current mileage;
- The name of the dealer who sold you the vehicle;
- The name of the dealer who services your vehicle;
- Date, mileage, and reason for each visit to an authorized Honda automobile dealership;
- Any non-Honda dealership repair service for the problem(s); and
- Your daytime and evening telephone numbers.

The staff of Honda Automobile Customer Service is interested in working with you and the dealership to find a satisfactory solution.

STEP 3

If you disagree with the decision reached by the staff of Honda Automobile Customer Service, you may request to have your case reviewed in an independent forum run by the National Center for Dispute Settlement (NCDS). You may file a claim at any time by calling NCDS toll-free at 877-545-0055.

You may also write to:
National Center for Dispute Settlement
P.O. Box 515831
Dallas, TX 75251-5831

The purpose of NCDS is to resolve disputes between vehicle manufacturers and their customers. NCDS's decision-makers are impartial third-parties who will listen to both the customer and the manufacturer and decide what can be done to resolve the disagreement.

NCDS's decision is not binding on you unless you agree to accept it. If you accept the decision, Honda will abide by it. Generally, disputes submitted to NCDS are resolved within 40 days (47 days if you have not first contacted Honda about your complaint).

Honda offers you the opportunity to mediate and arbitrate a disagreement through NCDS because we want you to feel that you have been treated fairly.

Eligibility is limited by your vehicle's age, mileage, and other factors. To file a claim, you need to provide your name and address, the Vehicle Identification Number (VIN) of your vehicle, and a brief statement outlining the disagreement. Initially, NCDS may try to resolve the disagreement through mediation.

If this is not successful, your complaint will be reviewed by an impartial arbitrator. You may present the facts of your case to the arbitrator at an informal meeting.

We encourage you to use this program before, or instead of, proceeding with formal litigation. It is informal, free of charge to you, and generally resolves problems much faster than formal litigation. Lawyers are usually not involved in the resolution of claims through NCDS, although you may obtain one at your own expense if you choose.

If you want to proceed with formal litigation, Honda does not require you to first file a claim with NCDS. Please note that laws in some states may require that you file a claim with NCDS before you can proceed to a state-operated dispute resolution process or formal litigation. If you do not accept the decision of NCDS, you can still proceed with formal litigation.

Please note that this new vehicle limited warranty contains an arbitration provision that may affect your legal rights, and you agree that, pursuant to the Arbitration Provision contained in this warranty (beginning on page 6) of this booklet, that either you or American Honda Motor Co., Inc. may elect to resolve any dispute by neutral, binding arbitration and not by a court action. See the Arbitration Provision contained (beginning on page 6) of this new vehicle limited warranty for additional information concerning the agreement to arbitrate.

Customer Satisfaction

Lemon Laws

Many states have enacted what are commonly referred to as “Lemon Laws.” Although the details of these laws vary from state to state, their main purpose is to assure you certain rights if you have problems with your new vehicle. In general terms, these laws usually say that if your new vehicle has a problem that cannot be repaired in several attempts, or has a series of problems that keeps it out of service for an extended period, you may qualify for relief under the Lemon Law in your state.

Some states require you to notify the manufacturer about the problem(s), and some states give the manufacturer, or its representative, a chance to correct the problem(s). A state may require you to submit your complaint to a dispute resolution program, such as NCDS, before proceeding to other forums.

Lemon Laws have many provisions. If you feel your new Honda qualifies for consideration under the Lemon Law in your area, we suggest you check the laws in your state.

We want you to be satisfied with your Honda automobile. If you have any questions, please contact your authorized Honda automobile dealer or Honda Automobile Customer Service.

Some Repairs May Be Covered Beyond the Limited Warranty

Honda may cover, on a case-by-case basis, some or all of the cost to repair a problem that is not covered by your vehicle's Limited Warranties.

If your vehicle develops a problem you feel should be repaired by Honda at no cost, discuss it with your dealer.

If you are not satisfied with your authorized Honda automobile dealer's decision, call or write Honda Automobile Customer Service (the address and telephone number are on the inside front cover of this booklet).

Please provide this information about your vehicle:

- Year, model, and Vehicle Identification Number (VIN) of your vehicle, and its current mileage;
- Maintenance history;
- A detailed explanation of the problem; and
- Why you think Honda should be responsible for the repair.

Your request will be investigated and you will be informed of Honda's decision.

Sometimes Honda offers a special adjustment program to pay all or part of the cost of certain repairs beyond the warranty terms. Check with your dealer to determine whether any adjustment program is applicable to your motor vehicle.

Agreement to Arbitrate

Please carefully read this provision, which applies to any dispute between you and American Honda Motor Co., Inc. and its parent entities, subsidiaries, affiliates, agents, authorized service and repair facilities, employees, predecessors in interest, successors and assigns (together “Honda,” “we,” or “us”).

You and we agree that any dispute arising out of or relating to any aspect of the relationship between you and Honda will not be decided by a judge or jury but instead by a single arbitration administered by the American Arbitration Association (AAA) under its Consumer Arbitration Rules in effect on the date of delivery of your vehicle to you. This Agreement to Arbitrate includes all claims, whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory; claims arising out of your warranty; claims arising before or after this Agreement, such as claims related

to statements about our products; claims about the performance, design of our products, or manufacturing of our products; and claims that are currently the subject of purported class action litigation in which you are not a member of a certified class.

If you have a concern or dispute, before initiating arbitration, you must send a written notice describing it and your desired resolution to Honda’s Office of the General Counsel, 1919 Torrance Blvd., Mail Stop CHI-5, Torrance, CA 90501. Following this notice, either side may request an individualized informal telephonic dispute resolution conference, which you shall participate in with our designee, and either side’s counsel may also participate. If your concern or dispute is not resolved within 60 days, you may then initiate a formal arbitration claim.

Other than your initial filing fees up to a maximum of \$250, we will pay all AAA fees for any arbitration, which will be held in the federal district in which you reside. To learn more about the rules and how to begin an arbitration, you may call any AAA office or go to www.adr.org.

The arbitrator may only resolve disputes between you and Honda on an individual basis and may not consolidate claims without the consent of all parties. You and Honda may bring claims against the other only in your or its individual capacity and not as a plaintiff or class member in any class or representative action. The arbitrator cannot hear class or representative claims on behalf of others purchasing or leasing Honda vehicles. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy (such as injunctive or declaratory relief), then that claim or remedy (and only that claim or remedy) shall be severed and must be brought in court and any other claims must be arbitrated first.

All issues are for the arbitrator to decide, including the scope and enforceability of this arbitration provision. Disputes concerning the validity, application, scope, enforceability, or interpretation of this Agreement will be exclusively decided by the arbitrator. The Agreement and associated proceedings, such as waiver, estoppel, breach, or default before, during, or after arbitration, will be governed by the Federal Arbitration Act, 9 U.S.C. § 1 et seq., and federal common law, not by any state laws or procedures regarding arbitration. The arbitrator at all times holds the exclusive authority to address challenges to this Agreement, including questions of waiver, estoppel, breach, default, or the validity or scope of any part of this Agreement.

If one party files a court action instead of arbitration, all proceedings will be stayed until resolution of any proceedings to compel arbitration, including appeals. If you prefer, you may instead take an individual dispute to small claims court.

You may opt out of arbitration within 30 days after the date of delivery of your vehicle to you by sending a letter to: Honda's Office of the General Counsel, 1919 Torrance Blvd., Mail Stop CHI-5, Torrance, CA 90501, stating your name, Vehicle Identification Number, and intent to opt out of the arbitration provision. If you do not opt out, then this agreement to arbitrate is binding.

General Warranty Provisions

The warranty coverages in this booklet are offered only to the owner or lessee of a 2025 Honda automobile. To be covered, the vehicle must be distributed by American Honda through the Honda Automobile Division and sold or leased by an authorized Honda automobile dealer in the 50 U.S. states and Washington, D.C. (the "Warranty Territory").

Parts replaced under any of the warranties in this booklet become the property of Honda. Honda will make the final decision whether to repair an existing part or assembly or replace it.

Honda may use factory-remanufactured/reconditioned parts rather than new parts for some warranty repairs. Those parts, like new parts, are covered for the remainder of the New Vehicle Limited Warranty, including replacement of the vehicle (see page 11).

The warranties in this booklet do not cover:

- The failure of any part or accessory due to:
 - Abuse, misuse, accidental damage, or acts of nature.
 - Improper installation or maintenance.
 - A low fluid level or the use of a fluid other than specified by Honda.
 - The installation of any part that is not equal to the original in quality of materials or workmanship.
 - Use of the vehicle in competition or racing events.
 - Improper charging procedures. Any installed part or accessory that fails because it was not designed to fit that year and model of Honda automobile.

- Any vehicle with an odometer that has been altered so it is impossible to determine the actual mileage.
- Any vehicle while it is registered or normally driven outside of the Warranty Territory.
- Any failure caused by modifying the vehicle, or installing accessories not authorized by Honda.
- Any incidental expenses or inconvenience incurred due to the loss of use of your vehicle.
- Any vehicle that has ever been declared a total loss or sold for salvage by a financial institution or insurer, or that has been issued a "salvage" or similar title under any state's law. This exclusion does not apply to the Seat Belt Limited Warranty, the Replacement Parts Limited Warranty, or any recalls or other campaigns.

Time and Mileage Period

This warranty begins on the date the vehicle is put into use in one of the following ways:

- The vehicle is delivered to the first purchaser by an authorized Honda automobile dealer.
- The vehicle is leased.
- The vehicle is used as a demonstrator or company vehicle.

Your vehicle is covered for 3 years or 36,000 miles, whichever comes first. Some parts may have separate coverage under other warranties described in this booklet.

Warranty Coverage

The replaced or repaired parts are covered only until this New Vehicle Limited Warranty expires.

This New Vehicle Limited Warranty Does Not Cover:

Cosmetic flaws or minor damage to the body, paint, or other items may occur during manufacture or shipping of your vehicle. If you find any uncorrected flaws or damage on your new vehicle, notify the dealer as soon as possible after delivery.

- Expendable maintenance items (such as filters or brake pads/linings) when replaced due to normal wear or customer abuse.
- Tires may be warranted by their manufacturers (see page 15 for more information).
- Failure to take the vehicle to, or make repairs or service recommended by, a Honda Service Center or Honda authorized repair facility upon discovery of a defect covered by this New Vehicle Limited Warranty.

- Improper winch procedures.
- Theft, vandalism, or riot.
- Using the vehicle as a stationary power source.
- Non-genuine Honda parts or accessories or their installation, or any damage directly or indirectly caused by, due to, or resulting from the installation or use of non-genuine Honda parts or accessories.
- Parts, accessories, and charging equipment that were not included in the purchase of the vehicle; these items have their own warranties and are subject to their own terms and conditions, which will be provided to you as applicable.
- Fire, explosion, earthquake, windstorm, lightning, hail, flood, or deep water.

Limited Warranty Coverage

- Original equipment batteries for key fobs and remotes are covered for the first 6 months of ownership.

Damages

Honda hereby disclaims any and all indirect, incidental, special, and consequential damages arising out of or relating to your vehicle, including, but not limited to, transportation to and from a Honda Service Center or Authorized Dealer, loss of vehicle value, loss of time, loss of income, loss of use, loss of personal or commercial property, inconvenience or aggravation, emotional distress or harm, commercial loss (including but not limited to lost profits or earnings), towing charges, bus fares, vehicle rental, service call charges, gasoline expenses, lodging expenses, damage to tow vehicle, and incidental charges such as telephone calls, facsimile transmissions, and mailing expenses.

New Vehicle Limited Warranty

Honda shall not be liable for any direct damages in an amount that exceeds the fair market value of the vehicle at the time of the claim.

The above limitations and exclusions shall apply whether your claim is in contract, tort (including negligence and gross negligence), breach of warranty or condition, misrepresentation (whether negligent or otherwise), or otherwise at law or in equity, even if Honda is advised of the possibility of such damages or such damages are reasonably foreseeable. In jurisdictions that do not allow the exclusion or limitation of indirect, direct, special, incidental, or consequential damages, the above limitations or exclusions may not apply to you.

High Voltage Battery Warranty

Time and Mileage Period

This warranty's coverage begins on the same date as the New Vehicle Limited Warranty (see page 11), and continues for 8 years or 100,000 miles, whichever comes first.

Warranty Coverage

This High Voltage Battery Warranty is in addition to the New Vehicle Limited Warranty. It covers any defects related to material or workmanship to the battery pack and its internal components.

Like all batteries, the amount of energy that the high voltage propulsion battery can store will decrease with time and miles driven. The battery will be replaced/repared if the capacity falls below 75%* of its original value during the warranty period, as determined by a certified dealer, with a battery appropriate for the age and mileage of the vehicle.

Your authorized Honda dealer can determine the state of health of your high voltage battery and determine if the degradation level is within the expected range. Greater than normal degradation is covered under the High Voltage Battery Warranty, subject to applicable limitations in such warranty.

**For warranty claims specific to Battery capacity, the replacement Battery will be in a condition appropriate to the age and mileage of the vehicle sufficient to achieve or exceed the minimum Battery capacity for the remainder of the warranty period of the original Battery. Note that the vehicle's range estimates are an imperfect measure of Battery capacity because they are affected by additional factors separate from Battery capacity. The measurement method used to determine Battery capacity, and the decision of whether to repair, replace, or provide reconditioned or re-manufactured parts, and the condition of any such replaced, reconditioned or re-manufactured parts, are at the sole discretion of Honda.*

High Voltage Battery Warranty

If your High Voltage Battery requires warranty repair, Honda will repair the unit, or replace it with a new, reconditioned or re-manufactured part at the sole discretion of Honda. The warranty replacement may not restore the vehicle to a "like new" condition, but when replacing a Battery, Honda will ensure that the energy capacity of the replacement Battery is at least equal to that of the original Battery before the failure occurred while taking into consideration other factors, including the age and mileage of the vehicle.

This High Voltage Battery Warranty does not cover:

- Damaging the Battery, or intentionally attempting, either by physical means, programming, or other methods, to extend (other than as specified in your owner manual and any documentation provided by Honda) or reduce the life of the Battery.
- Exposing the Battery to direct flame; or
- Flooding the Battery.

The Battery, like all lithium-ion batteries, will experience gradual energy or power loss with time and use. Loss of Battery energy or power over time or due to or resulting from Battery usage is NOT covered under this High Voltage Battery Warranty, except to the extent specified in this High Voltage Battery Warranty. See your owner documentation for important information on how to maximize the life and capacity of the Battery. Failure to follow these recommended battery maintenance and charging procedures shall void this High Voltage Battery Warranty.

Your vehicle updates its software wirelessly, constantly providing new features and improvements for your vehicle, including updates to protect and improve Battery longevity. Any noticeable changes to the performance of the Battery due to these software updates are NOT covered under this High Voltage Battery Warranty.

The manufacturer of the tires that come as original equipment on your new Honda (including the compact spare tire, if provided) may provide a warranty for them. A separate warranty statement for the tires can be found on Honda's website at mygarage.honda.com.

Obtaining Warranty Service

Seat Belt Limited Warranty

While seat belts cannot completely remove the possibility of injury, they do provide a very significant level of protection when used properly. Honda believes the best way to enhance your safety is to use your seat belt. To encourage their use, the seat belts should always be in good operating condition.

Time Period

This warranty’s coverage begins on the same date as the New Vehicle Limited Warranty (see page 11), and continues for 15 years or 150,000 miles, whichever comes first.

Warranty Coverage

Honda will, at its option, repair or replace any Honda seat belt component that fails to function properly during normal use. This includes all parts and labor charges.

This Warranty Does Not Cover:

- Replacement of a properly functioning seat belt assembly strictly for cosmetic or comfort reasons.
- Failure caused by abuse, alteration, accidental damage, misuse, or malfunction resulting from a collision.
- Components of the Supplemental Restraint System (SRS - front airbag) that interact with, or act upon, the vehicle’s seat belts (such as, but not limited to, the latch sensor, the belt pretensioners, or the ECU). Those components are covered under the New Vehicle Limited Warranty.

Only the vehicle's original owner or lessee can make a claim under this warranty. Coverage cannot be transferred to any other person or institution (such as an insurance company).

Time and Mileage Period

This warranty's coverage begins on the same date as the New Vehicle Limited Warranty (see page 11) and continues for 5 years with no mileage limit. Any body panels repaired or replaced under this warranty are covered only for the time remaining in the original 5 years of coverage.

Warranty Coverage

Honda will repair or replace any original body panel that rusts completely through from the inside out (perforated by corrosion). This includes panels previously repaired or replaced under this warranty. Rust that does not perforate but is

caused by a defect in material or workmanship is covered under the New Vehicle Limited Warranty. You will not be charged for any parts, material, or labor under this warranty. The decision to repair, rather than replace, any rusted body panel will be made by Honda.

This Warranty Does Not Cover:

- Surface rust on the underbody or any other part of the vehicle except body panels.
- Rusting of body panels that were repaired, replaced, or refinished after retail sale of the vehicle, unless those panels were repaired or replaced under this warranty.
- Body panel rust caused by abuse, misuse, or lack of maintenance.

- Rusting where the paint has been damaged by road hazards such as stones and debris.
- Rust caused by immersion of the body panel in water, mud, or sand, or resulting from exposure to corrosive gas or industrial fallout.
- Paint matching. Honda reserves the right to decide how much of the repaired or replaced panel, and any adjoining body panels, need to be repainted to match the original finish. Honda will not, under any circumstances, authorize painting the entire vehicle strictly for the purpose of paint matching.

Accessory Limited Warranty

This warranty applies to Honda Genuine Accessories distributed by American Honda and purchased from an authorized Honda automobile dealer in the Warranty Territory, unless changed by American Honda in a document provided to you before your purchase of an accessory for your 2025 vehicle.

Time and Mileage Period

Accessories Installed Before Retail Sale:

This warranty begins on the same date as the New Vehicle Limited Warranty (see page 11). All accessories are covered for the length of the New Vehicle Limited Warranty: 3 years or 36,000 miles, whichever comes first.

Accessories Installed by an Authorized Honda Automobile Dealer After Retail Sale:

This warranty begins on the date the accessory is installed on the vehicle. All accessories are covered for the longer of the following two periods:

- 1. the time remaining in the New Vehicle Limited Warranty;
- or

- 2. 1 year.

Accessories Not Installed by an Authorized Honda Automobile Dealer:

This warranty begins on the date the accessory is purchased from an authorized Honda automobile dealer. All accessories are covered for 1 year.

Warranty Coverage

Honda will repair or replace any Honda Genuine Accessory distributed by American Honda that is defective in material or workmanship under normal use. Honda will decide if an accessory will be repaired rather than replaced. If the accessory was installed by an authorized Honda automobile dealer, all parts and labor costs are covered. If the accessory was installed by someone else, the cost of all parts to repair or replace it are covered by Honda, but you must pay the labor costs.

Audio and Video Component Exchange Program

If the dealer-installed audio and/or video component in your Honda develops a problem during this warranty period, visit your authorized Honda automobile dealer. The service person will ask you several questions about your vehicle and the problem. With this information, the proper diagnosis can be performed to determine if there is a problem with the audio or video component. If a problem is found during diagnosis, your authorized Honda automobile dealer will order a replacement component.

When your authorized Honda automobile dealer receives the component (which normally takes less than a week), you will be notified to bring your vehicle to the dealership so that the audio or video component can be replaced.

Honda may use factory-remanufactured audio or video components rather than new components for some warranty repairs. Those components, like new components, are covered for the remainder of the Accessory Limited Warranty.

This Warranty Does Not Cover:

- Honda accessories that were designed for a different model or model year than the vehicle on which they were installed.
- Any accessory that is improperly installed.
- Any claim presented without proof of accessory purchase and/or installation date and vehicle mileage at the time of installation.
- The cost of labor to repair or replace any accessory that was not originally installed by an authorized Honda automobile dealer.

Replacement/Remanufactured Parts Limited Warranty

This warranty applies only to automobile replacement parts distributed by American Honda through the Honda Automobile Division, and sold through an authorized Honda automobile dealer in the Warranty Territory, unless changed by American Honda in a document provided to you before your purchase of a replacement or remanufactured part for your 2025 vehicle.

Time Period

Replacement Parts

Replacement parts purchased from an authorized Honda automobile dealer are covered for 1 year from the date of purchase, or the duration of the New Vehicle Warranty, whichever is longer, regardless of installation location.

Remanufactured Parts

Remanufactured parts installed by an authorized Honda automobile dealer are covered for 3 years or 36,000 miles, whichever comes first. Some examples of remanufactured parts are High Voltage Battery and EV propulsion parts. Check with your dealer to determine if a remanufactured part was used to repair your vehicle.

Remanufactured parts purchased from an authorized Honda automobile dealer but installed by someone else are covered for 3 years from the date of purchase.

Warranty Coverage

Honda will repair or replace any part covered by this warranty that is defective in material or workmanship under normal use. If the part was originally installed by an authorized Honda automobile dealer, the repair or replacement will be done with no charge for parts or labor. If the part was originally installed by someone

else, the cost of the replacement or repair is covered by Honda, but you must pay all the labor costs.

This Warranty Does Not Cover:

- Claims that do not include documented proof of purchase date and, if installed by an authorized Honda automobile dealer, place of installation.
- Parts considered to be normal maintenance items unless they are defective in material or workmanship. Some examples are filters and brake pads.
- Parts replaced under the New Vehicle Limited Warranty or parts covered by other warranties in this booklet.

Replacement 12-Volt Battery Limited Warranty

This warranty applies only to replacement 12-volt batteries purchased from an authorized Honda automobile dealer in the Warranty Territory, unless changed by American Honda in a document provided to you before your purchase of a replacement 12-volt battery for your 2025 vehicle.

Time Period

Replacement 12-volt batteries are covered for a 100-month (8 years and 4 months) Limited Warranty.

Warranty Coverage

During the first 36 months (3 years) of service, a defective replacement 12-volt battery will be replaced at no cost for the battery, labor, or installation.

For the remaining 64 months (5 years and 4 months), you will receive a credit toward the purchase of the 12-volt battery.

This credit is based on the then-current retail price:

- Months 37 to 45: 60%
- Months 46 to 55: 50%
- Months 56 to 65: 40%
- Months 66 to 75: 30%
- Months 76 to 85: 20%
- Months 86 to 95: 10%
- Months 96 to 100: 5%

The 12-volt battery is warranted for the time remaining in the 100 months of the Replacement 12-volt Battery Limited Warranty. No cash reimbursement will be made. You are responsible for the labor or installation charges.

How to Get Warranty Service

You should take your vehicle, along with proof of the purchase date, to an authorized Honda automobile dealer during normal service hours. If your warranty claim is for a remanufactured part or Honda Genuine Accessory that was originally installed by an authorized Honda automobile dealer, also bring proof of the vehicle's mileage at the time of installation.

If your vehicle cannot be driven, contact the nearest authorized Honda automobile dealer for towing assistance. **You do not have to pay for towing to the nearest authorized Honda automobile dealer if the failure is covered by any of the warranties in this book.**

Emergency Repairs

Honda recognizes that your vehicle could develop a serious problem needing immediate repair at a facility other than an authorized Honda automobile dealer.

Honda will reimburse you for the repair if:

- The repair would normally be covered by one of the warranties in this booklet;
and

Warranty Coverage Outside the Warranty Territory

Warranty Coverage Outside the Warranty Territory

The warranties in this booklet cover only Hondas purchased or leased and registered in the Warranty Territory. Honda vehicles registered and normally driven outside the Warranty Territory, including but not limited to those that are registered and normally driven in Puerto Rico, the U.S. Virgin Islands, Guam, and the Commonwealth of the Northern Mariana Islands, are not covered.

Honda automobile dealers outside the Warranty Territory may not honor these warranties. If you have your vehicle serviced by a Honda automobile dealer outside the Warranty Territory (while on vacation, for example), and that service would normally be covered by one of the warranties in this booklet, please contact Honda Automobile Customer Service (see the inside front cover of this booklet).

Traveling Outside the Warranty Territory

If you are planning to use your Honda to travel outside the Warranty Territory, you may want to contact Honda Automobile Customer Service (see the inside front cover of this booklet). They can give you information on Honda distributors in the area you plan to visit.

Relocating Outside the Warranty Territory

Any vehicle purchased or leased from an authorized Honda automobile dealer in the Warranty Territory is manufactured to meet U.S. government safety specifications. Locations outside the Warranty Territory not only have different Honda models marketed there but also may have their own safety standards that differ from U.S. requirements.

If you plan to relocate your vehicle outside the Warranty Territory and register it there, we recommend that you contact the vehicle import agency

in that location to determine the requirements. American Honda does not have this information.

Be advised that modifications to your vehicle to meet the requirements outside the Warranty Territory may be very expensive and, in some cases, impossible to perform. Parts to modify a vehicle to meet non-U.S. specifications typically are not available in the U.S.

Getting your vehicle serviced outside the Warranty Territory may be difficult, even if you take it to a Honda automobile dealer. Because that location may have models with different equipment and specifications, the dealer may not have parts that are suitable for your vehicle.

For further information or assistance, please contact Honda Automobile Customer Service (see the inside front cover of this booklet).

Operation and Maintenance of Your Honda

The keys to keeping your Honda in top condition are proper operation and regular maintenance.

Proper Operation

Your Honda is designed for use as a passenger vehicle. You should use it on designated public roads and highways. These are some of the things you should do to take care of your Honda:

- Avoid exceeding your vehicle's load limit. This puts excess strain on the brakes and several other systems in your vehicle. Refer to the owner's manual to find the location of the load limit label on your vehicle.
- Operate your Honda within the legal speed limit.
- Drive your Honda regularly over a distance of several miles. Like a person, a vehicle functions better with regular exercise.

Maintenance

Always maintain your 2025 Honda as suggested by the vehicle's maintenance schedule. The services are essential to trouble-free operation. **Parts that fail because they did not get proper, timely maintenance are not covered by warranty.** However, a warranty claim will not be denied if a part fails due to a defect in material or workmanship for reasons unrelated to improper maintenance or operation.

The personnel at your authorized Honda automotive dealer are trained and equipped to perform scheduled maintenance on your 2025 Honda. However, service at an authorized Honda automobile dealer is not mandatory for continued warranty coverage. You can have scheduled maintenance and high-voltage-related scheduled maintenance (where applicable) done somewhere other than your authorized Honda

automobile dealer, or you can do the maintenance yourself if you have the tools and skills necessary to correctly service your vehicle.

Please be aware that your Honda EV requires special handling and care during certain repairs, given its unique powertrain and high-voltage-specific systems. High-voltage specific service and maintenance should only be performed at authorized Honda dealers. Special consideration should also be given for body repairs and painting that involves baking the vehicle or use of a high-temperature oven booth.

Operation and Maintenance of Your Honda

If you regularly take your vehicle to an authorized Honda automobile dealer for scheduled maintenance, the dealership personnel will know its history if you need to make a warranty claim.

If someone else has been performing the maintenance, you may need to provide evidence that you have properly maintained the vehicle.

This evidence may consist of one or more of these items:

- Copies of repair orders or other receipts that include the odometer mileage and the date that the vehicle was serviced. Each receipt should be signed by a qualified automotive service technician.
- A statement that you completed the maintenance yourself, showing the odometer mileage and date you did the work. Receipts for the replacement parts (fluids, filters, etc.) should accompany this statement.

NOTE: As a convenience for the next owner, keep all maintenance receipts with the vehicle if it is sold.

Limitations and Disclaimers

All of the Limited Warranties in this booklet are subject to the following limitations and disclaimers:

Honda disclaims any responsibility for loss of time, loss of the use of the parts or vehicle in which the parts are installed, transportation damage, and any other incidental or consequential damage. Any implied warranties, including the implied warranty of merchantability and fitness for a particular purpose, are limited to the duration of this written warranty.

These limitations or exclusions may not apply to your vehicle because some states do not allow limitations on how long an implied warranty lasts, or they may not allow exclusion or limitation of incidental or consequential damages.

These warranties give you specific legal rights, and you may also have other rights which vary from state to state.
