

BLUETOOTH® AUDIO

Stream audio from your compatible phone through your vehicle's audio system. Visit handsfreelink.honda.com to check if this feature is available on your phone.

Playing Bluetooth Audio

1. Make sure your phone is on and paired to **Bluetooth® HandsFreeLink®**.
2. Press **SOURCE**.
3. Press the Bluetooth icon.
4. From your phone, **open** the desired audio player or app and begin playing. Sound is redirected to the audio system.
5. Press (⏮) or (⏭) on the screen or (⏮) or (⏭) on the steering wheel to change tracks.

Notes:

- Make sure the volume on your phone is properly adjusted.
- You may need to enable additional Bluetooth settings on your phone for playback.
- The play/pause function and remote audio controls may not be supported on all phones.

HondaLink featuring Aha™

Access music and entertainment programming, location-based services, and social media sites through your vehicle's audio system. Download the HondaLink app to your phone prior to using this feature at owners.honda.com/apps. Visit handsfreelink.honda.com to check if this feature is available on your phone. Standard data rates apply.

Playing Aha

1. For Bluetooth connection: Make sure your phone is paired to **Bluetooth® HandsFreeLink®** and the screen is on and unlocked.
2. Press **SOURCE**.
3. Press the Aha icon on the second screen and streaming begins.
4. From the screen, **select** items such as Like/Dislike and Play/Pause.

For USB connection: **Connect** the dock connector to the USB port.

Press Stations to select from 16 favorite stations.

Press MENU to access the complete station list.

Notes:

- You can select Bluetooth or USB priority connection in the Audio Settings menu. This establishes what kind of connection will happen every time you turn your vehicle on.
- iPhone can connect via Bluetooth or USB; Android can connect via Bluetooth only.
- If you cannot operate Aha through the audio system, it may be streaming through **Bluetooth® Audio**. Make sure the Aha source on your audio system is selected.

PANDORA®

Play and operate Pandora streaming radio from your compatible phone through your vehicle's audio system. Visit handsfreelink.honda.com to check if this feature is available on your phone. Standard data rates apply.

Playing Pandora

1. For Bluetooth connection: Make sure your phone is paired to **Bluetooth® HandsFreeLink®** and the screen is on and unlocked.
2. Press **SOURCE**.
3. Press the Pandora icon and streaming begins.
4. From the screen, **select** items such as Like/Dislike and Play/Pause.

For USB connection: **Connect** the dock connector to the USB port.

Notes:

- You can select Bluetooth or USB in Connected Device Priority in the Audio Settings menu. This establishes what kind of connection will happen every time you turn your vehicle on.
- iPhone can connect via Bluetooth or USB; Android can connect via Bluetooth only.
- If you cannot operate Pandora through the audio system, it may be streaming through **Bluetooth® Audio**. Make sure the Pandora source on your audio system is selected.
