

SETTINGS FOR YOUR VEHICLE

Change different settings for many features in your vehicle. See your Owner's Manual for detailed information on settings and options.

Adjusting Vehicle Settings

Press **SETTINGS** to select the settings menu. Use the interface dial to make and enter selections.

Choose from the available options:

Navi Settings

Change various settings for navigation system routing.

Camera Settings

Change camera modes.

Vehicle Settings*

TPMS calibration, meter setup, door setup, and more.

System Settings

Adjust the display, system language, and more.

Phone Settings

Pair a phone, change call and text/e-mail options, and more.

Info Settings

Import wallpaper and select clock type.

Audio Settings

Change sound options and various settings for audio modes.

**The vehicle must be in Park (P) to access this menu.*

SYSTEM SETTINGS

You can customize the overall display and sounds on the audio/information screen.
