

MULTI-VIEW REAR CAMERA

For added convenience, the area behind your vehicle is displayed to help you navigate while backing up.

How It Works

- When you shift into Reverse (R), a real-time image of the area behind your vehicle is shown in the upper display, along with helpful parking guidelines.
- Press the selector knob to toggle between views.
- The display turns off when you shift out of Reverse.

Changing Settings

Turn the guidelines on or off.

1. Press and hold DISP to go to the Settings screen. Use the selector knob to make and enter selections.
2. Select Camera Settings.
3. Select Rear Camera.
4. Select one of the options.
Fixed Guidelines: Guidelines appear when you shift into Reverse. Select On or Off.
Dynamic Guidelines: Guidelines move as you turn the steering wheel. Select On or Off.
5. Press BACK to exit the menu.
