

HondaLink featuring Aha™

Access music and information programming, location-based services, and social media through your vehicle's audio system. Download the HondaLink app to your phone from owners.honda.com/apps before using this feature. Visit handsfreelink.honda.com to check if this feature is compatible with your phone. Standard data rates apply.

Playing Aha

Select Stations to select from 16 favorite stations.

Select the aha icon from Source.

Press MENU to view the complete station list.

1. *For Bluetooth connection:* Make sure your phone is paired to *Bluetooth® HandsFreeLink®* and the screen is on and unlocked.
For USB connection: Connect the iPhone cable to the USB port in the front console.
2. Select Source and select the aha icon. Streaming begins.
3. Use the touchscreen to like/dislike songs, and the touchscreen or steering wheel controls to change tracks.

iPhone is a trademark of Apple, Inc.

Notes:

- iPhone can connect via Bluetooth or USB; Android can connect via Bluetooth only.
- If you cannot operate Aha through the audio system, it may be streaming through *Bluetooth® Audio*. Make sure the Aha source on your audio system is selected.
- A pop-up may appear on your phone requesting you to allow access for the app to be launched.
- Operate your phone only when your vehicle is stopped.
