

# SETTINGS FOR YOUR VEHICLE

Change different settings for many features in your vehicle. See your Owner's Manual for detailed information on settings and options.

## Adjusting Vehicle Settings

Press and hold DISP to go to the settings menu. Use the selector knob to make and enter selections.

Choose from the available options:

### **Audio Settings**

Change sound options and various settings for audio modes.

### **Vehicle Settings\***

TPMS calibration, meter setup, door setup, and more.

### **System Settings**

Adjust the display, system language, and more.

### **Info Settings**

Import wallpaper and select clock type.

### **Phone Settings**

Pair a phone, change call and text/e-mail options, and more.

### **Camera Settings**

Change camera modes.

*\*The shift lever must be in Park (P) to access this menu.*

## SYSTEM SETTINGS

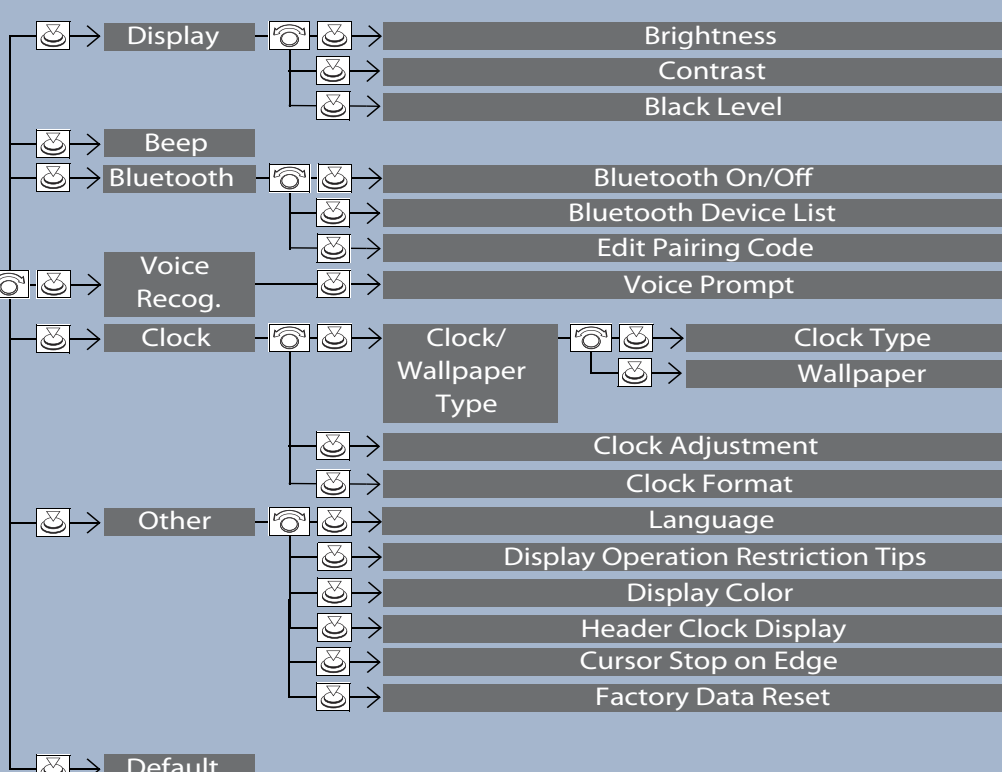

You can customize the overall display and sounds on the audio/information screen.
