

AUDIO AND CONNECTIVITY

Learn how to operate the vehicle's audio system.

Basic Audio Operation

Connect audio devices and operate buttons and displays for the audio system.

USB Adapter Cable*

1. Open the center console. Unclip the USB connector and loosen the adapter cable.
2. Connect a USB flash drive or other audio device, such as an iPod® or iPhone®.

USB Port*

1. Open the center console. Open one of the USB covers.
2. Insert a USB flash drive or other audio device, such as an iPod® or iPhone®, into the USB port.

iPod and iPhone are trademarks of Apple, Inc. State or local laws may prohibit the operation of handheld electronic devices while operating a vehicle.

Accessory Power Socket

Open the socket cover in the front console to use power when the vehicle is on. An additional power socket is also located in the center console.

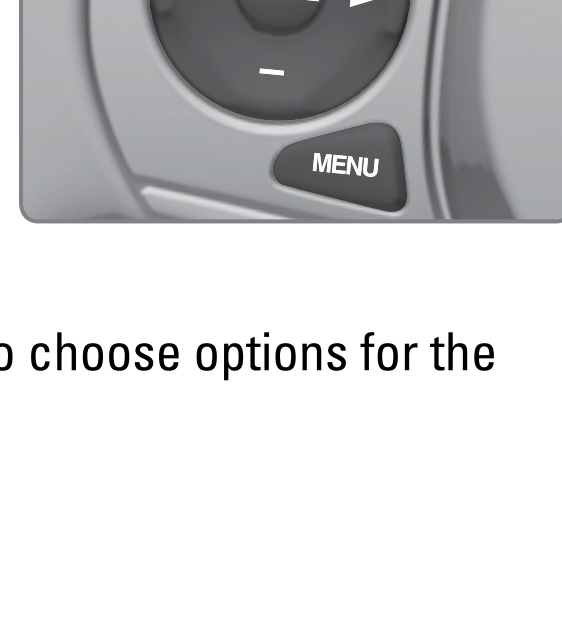

NOTICE

Do not insert an automotive type cigarette lighter element. This can overheat the power socket.

**if equipped*

HDMI Port*

1. Open the center console. Open the HDMI cover.
2. Insert an HDMI cable to the HDMI port.

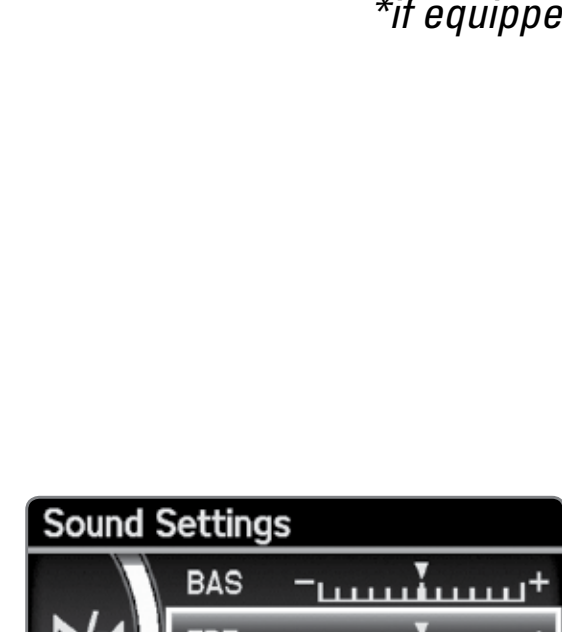

Additional cables and connectors sold separately.

Auxiliary Input Jack*

Connect standard audio devices with a 1/8-inch (3.5 mm) stereo miniplug.

1. Open the AUX cover.
2. Insert the miniplug attached to the audio device into the jack. The audio system switches to AUX mode. Use the device to control the audio.

Steering Wheel Controls

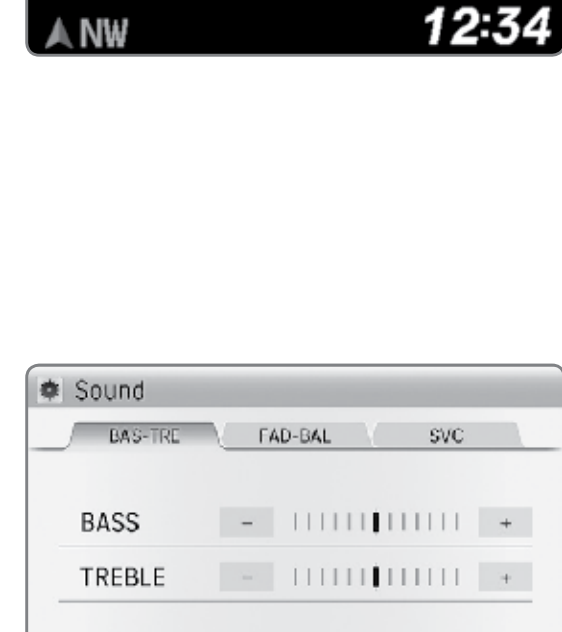

You can operate certain functions of the audio system using the steering wheel controls.

SOURCE button: Cycle through available audio modes.

◀/▶ buttons: Change presets, tracks, albums, or folders.

+/- buttons: Adjust audio volume.

MENU button: From the audio screen, press and hold to choose options for the current audio mode (models with touchscreen).

Bluetooth® Audio display

Notes:

- Make sure the volume on your phone is properly adjusted.
- You may need to enable additional settings on your phone for playback.
- The resume/pause function and remote audio controls are not supported on all phones.

State or local laws may prohibit the operation of handheld electronic devices while operating a vehicle. Only launch streaming audio on your phone when it is safe to do so.
