

Models with two displays

PHONE button: Display the phone screen.

BACK button: Go back to the previous display.

MENU button: Display menu items.

SETTINGS button: Display phone settings.

Interface dial (from the Phone screen): Rotate and press to make selections in the upper display. Move up, down, left, or right.

■ Talk Button Tips

On models with navigation, you can say voice commands to operate system functions. Below are some helpful tips:

- When using the Talk button, wait for the beep before saying a command.
- To bypass the system prompts, simply press the Talk button again to say your command.
- When the Talk button is pressed, all available voice commands are highlighted in yellow.
- The system recognizes only the commands listed in the Voice Command Index
- Speak in a clear, natural voice.
- Reduce all background noise.
- Adjust the dashboard and side vents away from the microphone in the ceiling.
- Close the windows and moonroof.

To reduce the potential for driver distraction, certain manual functions may be inoperable or grayed out while the vehicle is moving. Stop or pull over to perform the function.

Pairing a Phone

To use hands-free phone and streaming audio functions, you must first pair your phone to the system. This can only be done when the vehicle is stopped. Use the selector knob or interface dial to make and enter selections.

1. Press the SETTINGS button.
2. Select Phone Settings.
3. Select Bluetooth Device List (if no phone has been paired) or Connect Phone (if pairing an additional phone).
4. Select Add Bluetooth Device.
5. Make sure your phone is in discovery mode.

6. HFL searches for your phone. Select your phone when it appears on the list.

If your phone does not appear:

Select Phone Not Found and search for HandsFreeLink from your phone.

7. HFL gives you a six-digit code. Compare it to the code that appears on your phone. Connect to HFL from your phone.
8. The system asks if you want to enable Phone Synchronization, which imports your phone's call history and phonebook. Select On.
9. Press BACK to exit the menu.

Applicable laws may prohibit the operation of handheld electronic devices while operating a vehicle.

Making a Call

You can make a call using several methods.

■ Dialing a Number

Enter a 10-digit phone number to call.

Using voice commands

Press the Talk button before you say each command.

1. Say *"Dial by number."*
2. Say the phone number. For example, *"3-1-0-5-5-5-1-2-3-4."*
3. The system begins to dial.

Using the menu

Use the selector knob or interface dial to make and enter selections. This method is inoperable while the vehicle is moving.

1. Press PHONE.
2. Press MENU.
3. Select Dial.
4. Enter the phone number. Select the green phone icon to call.

■ Using the Phonebook

When your phone is paired, its entire phonebook can be automatically imported to the system. Phone synchronization must be turned on.

Using voice commands

Press the Talk button before you say each command.

1. Say *"Dial by name."*
2. Say the phonebook name and phone type. For example, *"John Smith mobile."*

Using the menu

Use the selector knob or interface dial to make and enter selections. This method is inoperable while the vehicle is moving.

1. Press PHONE.
2. Press MENU.
3. Select Phonebook.
4. Scroll through the list to find the name and number you want to call, and select it to call.

■ Storing Speed Dial Entries

Store up to 20 numbers for quick dialing. Use the selector knob or interface dial to make and enter selections.

1. Press PHONE.
2. Press MENU.
3. Select Speed Dial, then select New Entry.
4. Select an entry method.
5. If desired, you can create a voice tag for the number. Follow the prompts.

When a voice tag is created, you can press the Talk button and say “Call” and the stored voice tag to quickly call the number.

■ Using Speed Dial and Call History

Make calls quickly using stored speed dial entries or call history numbers.

Using voice commands

Press the Talk button before you say each command.

1. Say “Dial by voice tag.”
2. Say the stored voice tag name. For example, “John Smith.”

Models with one display

Using the menu

1. Press PHONE.
2. Press MENU.
3. Select Speed Dial or Call History.
4. Scroll through the list to find the entry you want to call, and select it to call.

Models with two displays

Using the phone screen

Use the interface dial to make and enter selections.

1. Press PHONE.
2. For Speed Dial, use the interface dial to scroll through the list to find the entry you want to call, and select it to call.

For Call History, move the interface dial to the right and scroll through the list.

SMS Text Messaging and E-Mail

Certain phones can receive and send messages from your paired and connected phone. Visit handsfreelink.honda.com to check phone compatibility. Standard message rates apply. This feature is limited while the vehicle is moving.

Models with two displays

■ Receiving and Responding to Messages

When you receive a new message, a pop-up appears on the display. Use the selector knob or interface dial to view the message when the vehicle is stopped. You can also reply to it using fixed phrases or call the sender.

1. When the prompt appears, select Read.
2. The message is displayed, and the system reads it aloud.

On models with one display, press the selector knob to display the options.

To reply: Select Reply, and choose one of the six available responses. Select Send to send the message. You cannot create a new text message.

To call the sender: Select Call.

■ Selecting an Account

If your phone has both text message and e-mail accounts, you can select only one of them at a time to be active and receive notifications. Use the interface dial to make and enter selections.

1. Press SETTINGS.
2. Select Phone Settings.
3. Select Select Account.
4. Select Text Messages or an e-mail account.
