

## Models with Display Audio

### iPod®

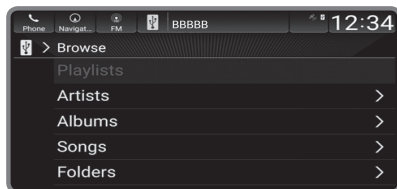

Play and operate an iPod through the vehicle's audio system. Connect your device to the USB port, then select USB mode.

### ■ Searching for Music

Use the touchscreen to search for tracks stored on the iPod.

1. Select **Browse**.
2. Select from the items on the menu.

*iPod is a trademark of Apple, Inc.*

## Models with Display Audio

### USB Flash Drive

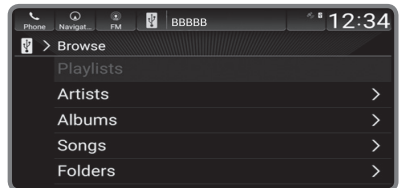

Play and operate a USB flash drive through the vehicle's audio system. Only MP3, WMA, or AAC\*<sup>1</sup> formats are supported. Connect your device to the USB port, then select USB mode.

### ■ Searching for Music

Use the touchscreen to search for tracks stored on the USB flash drive.

1. Select Browse.
2. Select the items on that menu.

\*1: Only AAC format files recorded with iTunes are playable on this unit.
