

AUDIO AND CONNECTIVITY

Apple CarPlay™

Connect an Apple CarPlay-compatible iPhone to the system. You can use the touchscreen to make a phone call, listen to music, and more. Visit the Apple CarPlay website for more information.

Park in a safe place before connecting your iPhone and launching any compatible apps.

1. Connect the iPhone to the 1.5A USB port.
2. Apple CarPlay requires you to send vehicle information to Honda. Select Enable Once, Always Enable, or Cancel. Your phone may prompt you to allow access for CarPlay to be launched.
3. From the HOME screen, select Apple CarPlay.
4. Select a menu option.

Phone: Access your contacts, make phone calls, or listen to voicemail. While connected to Apple CarPlay, calls can only be made through Apple CarPlay, not through *Bluetooth* HandsFreeLink.

Music: Play music stored on your iPhone.

Maps: View a map and operate navigation. You can only use Apple Maps or the pre-installed navigation system to set a destination with routing guidance.

Messages: View and reply to text messages or have messages read to you aloud by the system.

Once connected, press and hold the Talk button on the steering wheel to operate the system using voice commands with Siri Eyes Free.

Depending on use, Apple CarPlay can share certain vehicle information (e.g., vehicle location, speed, and other operating conditions) with the connected iPhone. See Apple's privacy policy for details regarding Apple's use and handling of data uploaded by CarPlay. Use of CarPlay is at user's own risk, and is subject to agreement to the CarPlay terms of use, which are included as part of the Apple iOS terms of use. CarPlay vehicle integration is provided "as is," and Honda cannot guarantee CarPlay operability or functionality now or in the future due to, among other conditions, changes in CarPlay software/Apple iOS, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Only use CarPlay when conditions allow you to do so safely. See your Owner's Manual at owners.honda.com for further license and warranty terms.

Siri® Eyes Free

Activate Siri through your vehicle when an iPhone is paired to the system. Visit automobiles.honda.com/handsfreelink (U.S.) or phone (888) 528-7876 (U.S. and Canada) to check phone compatibility.

Here are some examples of Siri commands:

"Call John Smith"

"Read my new text message"

"Find a nearby sushi restaurant"

"Remind me to pick up dinner"

"Set up a meeting today at 3 p.m."

"Play song XYZ"

Notes:

- Any requests that include visual feedback from Siri on your phone are not displayed in the vehicle.
- Some commands work only on specific phone features or apps.
- To hear turn-by-turn directions or songs through the vehicle, set the audio source to Bluetooth Audio.
- If using Siri Eyes Free through Apple CarPlay, use the Talk button to activate and deactivate Siri Eyes Free mode.
