HondaLink® Assist

Automatically attempt to connect and talk to an operator who can locate your vehicle and request emergency help in the event of a collision. Your phone must be paired to the system and have good cellular connection. Visit www.hondalink.com for more information.

1. Make sure your phone is on and paired to *Bluetooth* HandsFreeLink.
2. Select **Call Now**, or the system automatically connects after 10 seconds. The vehicle information and its position are sent to the operator.*
3. Select **Talk Now** to immediately talk to the operator.
4. When the call is complete, select **Hang Up** or press the **Hang Up/Back** button on the steering wheel.
