

# AUDIO AND CONNECTIVITY

Learn how to operate the vehicle's audio system.

## Basic Audio Operation

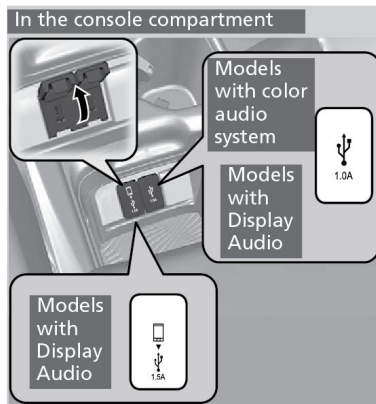

Connect audio devices and operate buttons and displays for the audio system.

### ■ USB Port

#### Models with Color Audio

Install the iPod® USB connector or the USB flash drive to the USB port.

The USB port (1.0A) is for playing audio files on a USB flash drive, connecting a cellular phone, and charging devices.

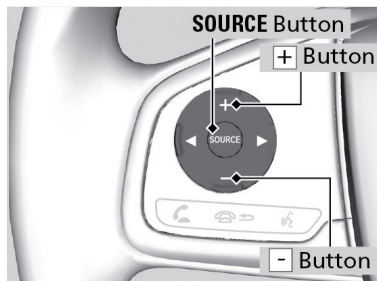

### ■ **Audio Remote Controls**

You can operate certain functions of the audio system using the steering wheel controls.

## AUDIO AND CONNECTIVITY

---

### Models with Color Audio

**Volume Buttons (+/-):** Press to adjust the volume.

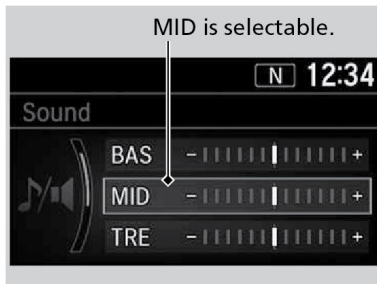

**SOURCE Button:** Press to cycle through the available audio modes.

### ■ Adjusting the Sound

#### Models with Color Audio

Press the Sound button and rotate the selector knob to scroll through the following choices:

- Bass
- Middle
