# AUDIO AND CONNECTIVITY

Learn how to operate the vehicle's audio system.

Basic Audio Operation

Connect audio devices and operate buttons and displays for the audio system.

■ **USB Port**

Open the USB cover in the front console.

Models with color audio

The USB port (1.0A) is for playing audio files on a USB flash drive and connecting a cellular phone and charging device.

Models with Display Audio

The USB port (1.5A) is for charging devices, playing audio files an connecting compatible phones with Apple CarPlay or Android Auto.

An additional USB port is located inside the center console.*
