BLUETOOTH® HANDSFREELINK ®

How to operate the vehicle's hands-free calling system.
Basic HFL Operation

Make and receive phone calls using the vehicle's audio system, without handling your phone. Visit *handsfreelink.com* to check phone compatibility. Canada customers can phone (855) 490-7351 for any HandsFreeLink® related inquiry.

To reduce the potential for driver distraction, certain manual functions may be inoperable or grayed out while the vehicle is moving. Voice commands are always available.

■ **HFL Displays and Controls**

Use the controls to enter information and make selections.

Models with Color Audio

|	
(Pick-Up) button:	Press to go directly to the Phone screen or to answer an incoming call.

Left Selector Wheel:	Press home button, then roll up or down to select Phone on the driver information interface, and then press the left selector wheel.
Home button:	Press to go back to the home screen of the driver information interface.

■ **Talk Button Tips**

When using the Talk button, wait for the beep before saying a command. The system recognizes commands listed in the Voice Command Index.

• To bypass the system prompts, simply press the Talk button again to say your command.

• Speak in a clear, natural voice.

• Reduce all background noise.

• Adjust the dashboard vents away from the microphone on the ceiling.

• Close the windows and moonroof[*1].

Pairing a Phone

To use hands-free phone and streaming audio functions, you must first pair your phone to the system. This can only be done when the vehicle is stopped. If there is an active connection to Apple CarPlay® (see Apple CarPlay) or Android Auto™ (see Android Auto), pairing of additional Bluetooth-compatible devices is unavailable and Add Bluetooth Device is grayed out from the Bluetooth Device List screen.

■ Pairing the First Phone

Models with Color Audio

Use the selector knob to make and enter selections.

1. Press the Phone button.
2. Rotate the selector knob to select Yes, then press the selector knob.
3. Make sure your phone is in search or discoverable mode, then press the selector knob.
4. Select your phone from the list, then press the selector knob.

   If your phone does not appear, select Phone Not Found?, then go to your phone's *Bluetooth*® settings and select HandsFreeLink® from the device list.

5. The system gives you a pairing code on the audio/information screen.

   Confirm if the pairing code on the screen and your phone match. This may vary by phone.

6. A notification appears on the screen if pairing is successful.

Models with Display Audio

Use the touchscreen to make and enter selections.

1. Press the Home button.

2. Select Phone.

3. Select Connect Phone.

4. Make sure your phone is in search or discoverable mode, then select +Connect New Device.

   HFL automatically searches for a *Bluetooth*® device.

5. Select your phone from the list.

   If your phone does not appear, go to your phone's *Bluetooth*® settings and select HandsFreeLink® from the device list.

6. The system gives you a pairing code on the audio/information screen.

   Confirm if the pairing code on the screen and your phone match.

   This may vary by phone.

7. Select desired functions and then select Save.

■ Pairing an Additional Phone

*Applicable laws may prohibit the operation of handheld electronic devices while operating a vehicle.*

Models with Color Audio

1. Press the Phone button.

   If a prompt appears asking to connect to a phone, select No.

2. Select Phone Setup.

3. Select *Bluetooth*® Setup.

4. Select Add New Device.

   The screen changes to device list.

5. Make sure your phone is in search or discoverable mode.

   HFL automatically searches for a *Bluetooth*® device.

6. Select your phone from the list.

   If your phone does not appear, select Phone Not Found?, then go to your phone's *Bluetooth*® settings and select HandsFreeLink® from the device list.

7. The system gives you a pairing code on the audio/information screen.

   Confirm if the pairing code on the screen and your phone match.

   This may vary by phone.

Models with Display Audio

1. Select Add *Bluetooth*® Device from the *Bluetooth*® device list screen.

2. To change the *Bluetooth*® connection priority device setting, select Priority Device Settings from the *Bluetooth*® Device List screen.
Making a Call

You can make calls by inputting any phone number, or by using the imported phonebook, call history, speed dial entries, or redial.

■ Dialing a Number

Models with Color Audio

1. Press the Phone button.

2. Select Dial.

3. Select each digit of the phone number.

4. Select the Phone button.

   Dialing starts automatically.

Models with Display Audio

1. Go to the phone menu screen.

2. Select Keypad.

3. Enter the phone number.

4. Select Call.

   Dialing starts automatically.

■ Using the Phonebook

When your phone is paired, the contents of its phonebook are automatically imported to HFL.

This method is inoperable while the vehicle is moving.

Applicable laws may prohibit the operation of handheld electronic devices while operating a vehicle.
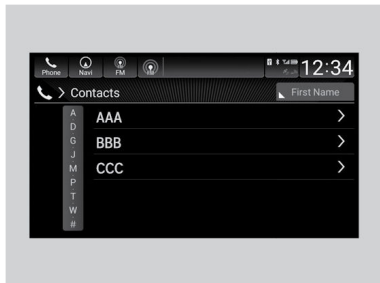

Models with Color Audio

1. Press the Phone button.
2. Select Phonebook.
3. The phonebook is stored alphabetically.
4. Select a name.
5. Select a number.

   Dialing starts automatically.

Models with Display Audio

1. Go to the phone screen.
2. Select Contacts.
3. Select a name.

   You can sort by First Name or Last Name. Select the icon on the upper right of the screen.
4. Select a number.

   Dialing starts automatically.

■ **Storing Speed Dial Entries**

Store up to 20 numbers per phone.

Models with Color Audio

1. Press the Phone button.

2. Rotate the selector knob to select Speed Dial, then press it.

3. Rotate the selector knob to select Add New, then press it.

4. Rotate the selector knob to select a place to choose a number from, then press it.

   From Call History:

   Select a number from the call history.
   From Phonebook:

   Select a number from the connected cell phone's imported phonebook.

   From Phone Number:

   Input the number manually.

5. When the speed dial entry is successfully stored, you are asked to create a voice tag for the number. Rotate the selector knob to select Yes or No, then press it.

   If you selected Yes, press the Talk button, then follow the prompts to say the name for the speed dial entry.
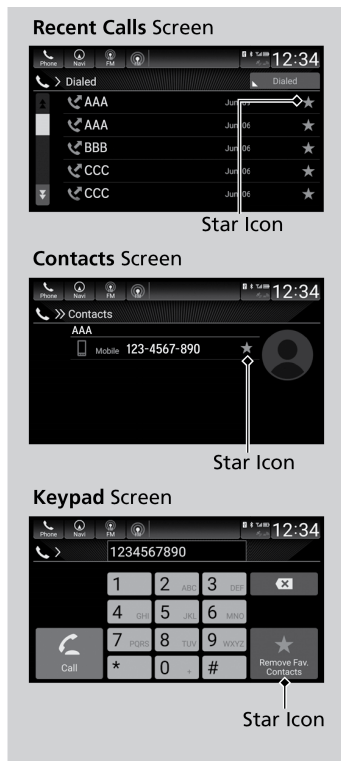

Models with Display Audio

1. Go to the phone menu screen.
2. Select the Recent Calls, Contacts, or Keypad screen.
3. Select the star icon.

   A notification appears on the screen if the speed dial entry is successfully stored.

   To remove the speed dial entry, select the star icon again.
