

SMS Text Messaging and E-Mail*1

Certain phones can receive and send text messages and e-mails while paired and linked. Standard message rates apply. This feature is limited while the vehicle is moving. Visit handsfreelink.com to check phone compatibility. Canada customers can phone (855) 490-7351 for any HandsFreeLink® related inquiry.

1. Press the Home button.
2. Select Messages.
3. Select Settings.
4. Select Pop-up Notification.
5. Select ON or OFF.

**1 - If equipped*
