

Android Auto™*1

Connect a compatible Android phone to the system. You can use the touchscreen to make a phone call, listen to music, and more. Visit the Android Auto™ website for more information.

Park in a safe place before connecting your Android smartphone and launching any compatible apps.

1. Connect the phone to the front (right side*1) USB port. Compatible Android phones will prompt you to download any required apps.
2. Select Enable or Disable.
3. Follow any prompts shown on your phone.
4. The phone will be automatically paired. A tutorial will appear on the vehicle screen.
5. Select a menu option.

1. **Maps (Navigation):** View Google Maps and operate navigation. You can only use this system or the pre-installed navigation system to set a destination with routing guidance. You cannot enter destinations using the keyboard while the vehicle is moving.
2. **Phone:** Make phone calls or listen to voicemail.
3. **Home (Google Now):** Display useful information organized by Android Auto™ into simple cards that appear only when needed.
4. **Music:** Play music from compatible apps. Select this icon to switch between music apps.
5. **Return to HOME screen:** Displays a menu with an option to return to the vehicle system HOME screen.

6. **Voice:** Use voice commands via Google Voice Search to operate Android Auto™. You can also press and hold the Talk button on the steering wheel (see Steering Wheel Controls) to say voice commands.

Tip: To prevent any potential issues, be sure to use a USB cable certified by USB-IF to be compliant with USB 2.0 Standard for Android Auto™.

Depending on use, Android Auto can share certain vehicle information (e.g., vehicle location, speed, and other operating conditions) with Google and its service providers. See Google privacy policy for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk, and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle integration is provided "as is," and Honda cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software.
