

## SMS Text Messaging and E-Mail\*1

HFL can display newly received text messages as well as the last 20 messages received on a linked cell phone. Each received message can be read aloud and replied to using a fixed common phrase.

1. Press the Home button.
2. Select Messages.
3. Select Settings.
4. Select Pop-up Notification.
5. Select ON or OFF.

*\*1 - If equipped*
