Audio System Basic Operation

Models with color audio system

To use the audio system, the ignition switch must be in ACCESSORY **I** or ON **II**.

(Back) button: Press to go back to the previous display.

(Sound) button: Press to select the sound setting mode.

(Day/Night) button: Press to change the audio/information screen brightness.

Press the **(Day/Night) button**, then adjust the brightness using **(Sound) button**.

- ▶ Each time you press the **(Day/Night) button**, the mode switches between the daytime mode, nighttime mode and off mode.

Use the selector knob or **MENU/CLOCK** button to access some audio functions.

Press **(Sound) button** to switch between the normal and extended display for some functions.

Selector knob: Rotate left or right to scroll through the available choices. Press **(Sound) button** to set your selection.

MENU/CLOCK button: Press to select any mode.

The available modes include wallpaper, display, clock, language setup, and play modes. Play mode choices include scan, random, repeat, and so on.

Audio System Basic Operation

These indications are used to show how to operate the selector knob.

Rotate **(Sound) button** to select.

Press **(Sound) button** to enter.

Press the button on the steering wheel to change any audio setting.

Audio/Information Screen

Displays the audio status and wallpaper. From this screen, you can go to various setup options.

■ Switching the Display

■ Audio

Shows the current audio information.

■ Clock/Wallpaper

Shows a clock screen or an image you import.

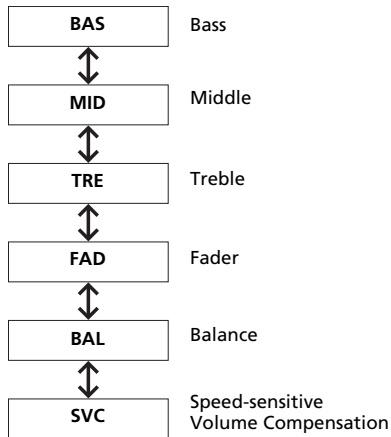

■ Change display

1. Press the **MENU/CLOCK** button.
2. Rotate  to select **Settings**, then press .
3. Rotate  to select **Display Change**, then press .
4. Rotate  to select **Wallpaper**, then press .
 - ▶ If you want to return to the audio/information screen, select **Audio**.

Adjusting the Sound

Press the  (Sound) button, and rotate  to scroll through the following choices:

Rotate  to adjust the sound setting, then press .

Adjusting the Sound

The SVC has four modes: **Off**, **Low**, **Mid**, and **High**. SVC adjusts the volume level based on the vehicle speed. As you go faster, audio volume increases. As you slow down, audio volume decreases.

Playing *Bluetooth*® Audio

Your audio system allows you to listen to music from your *Bluetooth*-compatible phone.

This function is available when the phone is paired and connected to the vehicle's *Bluetooth*® HandsFreeLink® (HFL) system.

▶▶ Playing *Bluetooth*® Audio

Not all *Bluetooth*-enabled phones with streaming audio capabilities are compatible with the system.

For a list of compatible phones:

- U.S.: Visit automobiles.honda.com/handsfreelink/, or call 1-888-528-7876.

In some states, it may be illegal to perform some data device functions while driving.

Only one phone can be used with HFL at a time. When there are more than two paired phones in the vehicle, the system automatically connects to the prioritized phone. You can assign priority to a phone in **Priority Device Setup**.

If more than one phone is paired to the HFL system, there will be a delay before the system begins to play.

In some cases, the name of the artist, album, or track may not appear correctly.

Some functions may not be available on some devices.

Siri® Eyes Free

You can talk to Siri using the  (Talk) button on the steering wheel when your iPhone is paired to the *Bluetooth*® HandsFreeLink® (HFL) system.

■ Using Siri® Eyes Free

(Hang-up/back) Button

Press to deactivate Siri® Eyes Free.

(Talk) Button

Press and hold until the display changes as shown.

Appears when Siri is activated in Siri® Eyes Free

While in Siri® Eyes Free:
The display remains the same.
No feedback or commands appear.

⊗ Siri® Eyes Free

Siri is a trademark of Apple Inc.

Check Apple Inc. website for features available for Siri.

We recommend against using Siri other than in Siri® Eyes Free while operating a vehicle.

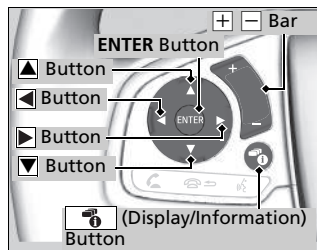

⊗ Using Siri® Eyes Free

Some commands work only on specific phone features or apps.

This audio system cannot operate the audio functions by using Siri® Eyes Free.

Audio Remote Controls
