Intelligent Traction Management

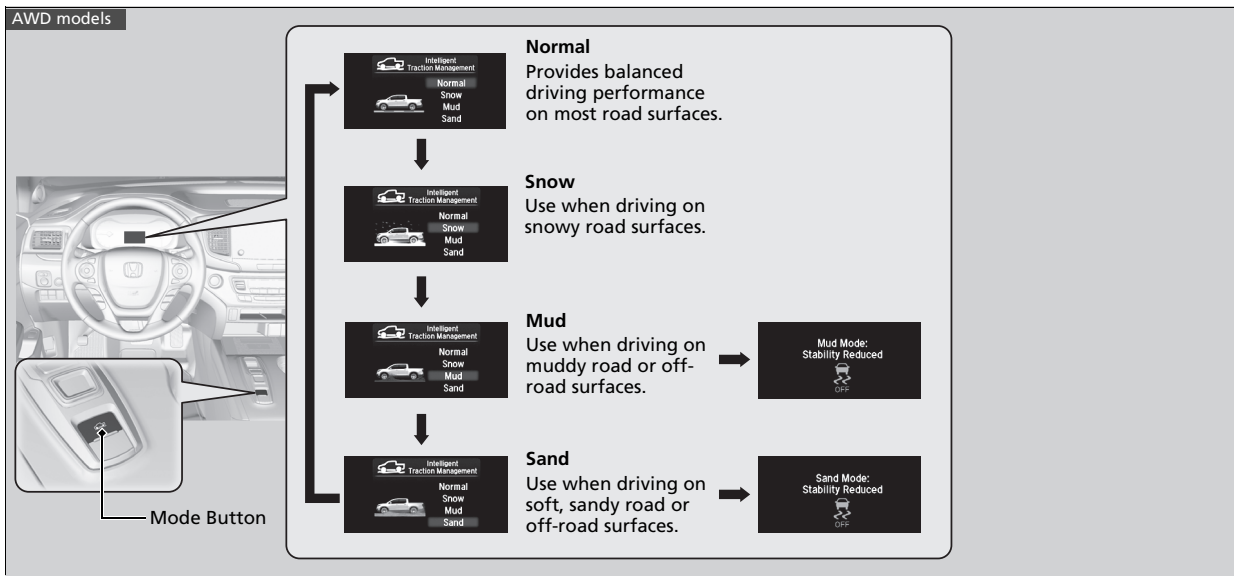

The Intelligent Traction Management optimizes vehicle performance to help you drive on various surfaces. The system has available modes to select from: **Normal**, **Snow**, **Mud***, and **Sand***.

Press the mode button to select the appropriate mode. The mode you select appears on the multi-information display. When the vehicle is turned off and restarted, Intelligent Traction Management mode will revert to Normal.

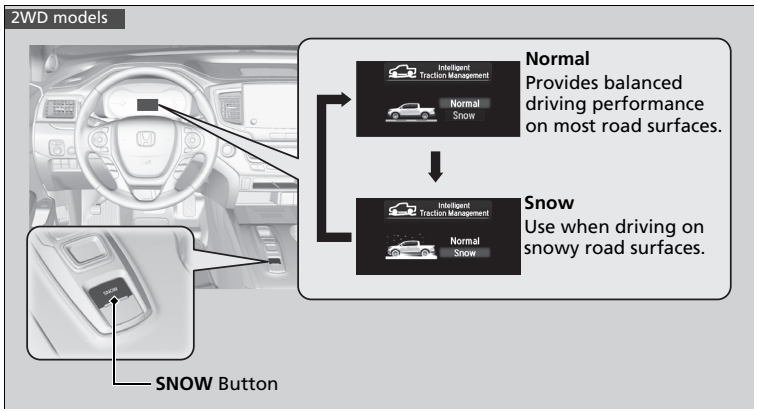

Intelligent Traction Management

Refer to the Off-Highway Driving section for driving tips and safety precautions.

Off-Highway Driving Guidelines P. 383
