### ☒ To Set Up Text Message Options

To use the text message function, it may be necessary to set up on your phone.

### ☒ To turn on or off the text message notice

**ON:** A pop-up notification comes on every time you receive a new message.

**OFF:** The message you receive is stored in the system without notification.

## Receiving a Text Message

HFL can display newly received text messages as well as the last 20 messages received on a linked cell phone. Each received message can be read aloud and replied to using a fixed common phrase.

1. Select the system status icon.  
▶ The status area appears.
2. A pop-up appears and notifies you of a new text message.
3. Select **Open** to display the message.  
▶ The text message is displayed.
4. Select **Play** to listen to the message. To discontinue the message read-out, select **Stop**.

## Receiving a Text Message

Some cell phones might not be able to read the transmission log of data sent and data received.

The system does not display any received messages while you are driving. You can only hear them read aloud.

The system can only receive messages that are sent as text (SMS) messages. The message sent using the data services will not be displayed in the list.

With some phones, you may be able to display up to 20 of the last text messages received.

State or local laws may limit your use of the HFL text message feature. Only use the text message feature when conditions allow you to do so safely.
