

HondaLink featuring Aha™

Access music and information programming, location-based services, and social media through your vehicle's audio system. Download the HondaLink app to your phone prior to using this feature at owners.honda.com/apps. Visit handsfreelink.honda.com to check if this feature is available on your phone. Standard data rates apply.

Playing Aha

Select the aha icon from Source.

Select Stations to select from 16 favorite stations.

Press MENU to view the complete station list.

1. *For Bluetooth connection:* Make sure your phone is paired to *Bluetooth® HandsFreeLink®* and the screen is on and unlocked.

For USB connection: Connect the dock connector to the USB port in the front console.

2. Select Source and select the aha icon. Streaming begins.
3. Use the touchscreen to like/dislike songs, and the touchscreen or steering wheel controls to change tracks.

Notes:

- You can select Bluetooth or USB in Connected Device Priority in Audio Settings. This establishes what kind of connection will happen every time you turn your vehicle on.
- iPhone can connect via Bluetooth or USB; Android can connect via Bluetooth only.
- If you cannot operate Aha through the audio system, it may be streaming through *Bluetooth® Audio*. Make sure the Aha source on your audio system is selected.
