DISPLAY AUDIO WITH NAVIGATION

Control various features of your vehicle using a touchscreen interface that is similar to a smartphone.

Home Screen

Select HOME to view the main menu to select vehicle functions.

Using the Touchscreen

Use simple gestures to operate the screen.

Touch items on the screen to select them.

Pinch two fingers open or closed to zoom in or out of a map.

Swipe to scroll through a list.

Slide your finger in any direction to scroll the map.

Notes:

- Wearing gloves may limit or prevent touchscreen response.
- Some items may be grayed out during driving to reduce the potential for distraction. You can select them when the vehicle is stopped.

Smartphone Connection

You can connect a compatible smartphone to the Display Audio system to enable integration between the smartphone's approved apps and the vehicle. This allows you to control the phone through the vehicle display.

you to control the phone through the vehicle display.
