

HondaLink®

You can connect a compatible smartphone to the audio system to enable integration between the smartphone's approved apps and the vehicle. This allows you to control the phone's apps through the touchscreen.

To check smartphone compatibility and connection instructions, visit *handsfreelink.com* (U.S.) or *handsfreelink.ca* (Canada).

To get more information on HondaLink features and apps, visit *www.hondalink.com* (U.S.) or *honda.ca/handsfreelink* (Canada).
