

### Models with Display Audio

## HondaLink®

Provides you with useful information about your vehicle directly from Honda.

To check phone compatibility, visit [handsfreelink.com](http://handsfreelink.com). Standard data rates may apply with your phone service provider.

To get more information on HondaLink, visit [www.hondalink.com](http://www.hondalink.com).

If there is an active connection to Apple CarPlay or Android Auto, HondaLink can be connected only through Wi-Fi.

### ■ HondaLink Connection

Follow the steps below to connect to HondaLink and use its features.

1. Download the HondaLink Connect app to your compatible smartphone.
2. Pair your phone to *Bluetooth HandsFreeLink*.
3. From the HOME screen, select HondaLink.
4. Certain features require you to send vehicle information to Honda. Select Enable Once, Always Enable, or Cancel.

### ■ HondaLink Menu

Select a menu option.

**Places\***: Display restaurants, gas stations, and other locations. You can send a location to the navigation system and set a route.

**Vehicle**: Get instructional messages when your vehicle needs service.

**Help & Support**: Display tips for vehicle usage, get roadside assistance, or contact customer service.

**Messages from Honda**: Display helpful and important information from Honda. If you have a new message, a yellow envelope icon appears at the top of the screen and a beep sounds. You can swipe down to view the message from any screen.

**Weather**: Display a weekly five-day weather forecast for any location.
