## Hard Disc Drive (HDD) Audio

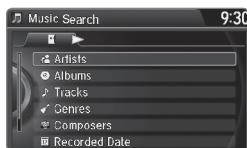

Record CDs onto your vehicle's hard drive. Songs are automatically recorded once a CD is inserted.

### ■ Searching for Music

Use the interface dial to search for tracks stored on the HDD.

1. From the audio screen, press MENU.
2. Select Music Search.
3. Select a search option.
4. Select the track you want to play.

You can also search for and play HDD music using Song By Voice™.
