

## Models with touchscreen

### Truck Bed Audio System\*

Send audio system content to outside the vehicle by using the truck bed liner as a speaker.

From the Home screen, select Truck Bed Audio.

Select On or Off.

#### ■ Using Truck Bed Audio

- To start Truck Bed Audio:
  - the vehicle must be in Park.
  - the ignition must be in Accessory or ON.
- Once started, the system will work in any power mode.
- The display screen will sleep to preserve power.
- The system will cancel:
  - if the vehicle moves at 10 mph (16 km/h) or faster.
  - if the battery charge drops below the needs of the engine starter.
