Certain phones can receive and send messages from your paired and connected phone. Visit automobiles.honda.com/handsfreelink (U.S.) or handsfreelink.ca (Canada) to check phone compatibility. Standard message rates apply with your phone service provider. This feature is limited while the vehicle is moving.

■ Receiving and Responding to Messages

When you receive a new message, a pop-up appears on the touchscreen. You can view the message when the vehicle is stopped. You can also reply to it using fixed phrases or call the sender.
