

Touchscreen Operation

Use simple gestures—including touching, swiping, and scrolling—to operate certain audio functions.

Some items may be grayed out during driving to reduce the potential for distraction. You can select them when the vehicle is stopped or use voice commands.

Wearing gloves may limit or prevent touchscreen response.

You can use a microfiber cleaning cloth to remove dust or fingerprints from the touchscreen.

■ Setting Touchscreen Sensitivity

You can adjust the touchscreen's sensitivity to your fingertip.

1. From the HOME screen, select Settings, then System.
2. Select Display, then Touch Panel Sensitivity.
3. Make your selection.

HondaLink®

Provides you with useful information about your vehicle directly from Honda.

Visit automobiles.honda.com/handsfreelink or call (888) 528-7876 to check phone compatibility. Standard data rates may apply with your phone service provider.

To get more information on HondaLink, visit www.hondalink.com.

■ HondaLink Connection

Follow the steps below to connect to HondaLink and use its features.

1. Download the HondaLink Connect app to your compatible smartphone.
2. Pair your phone to *Bluetooth HandsFreeLink*.
3. From the HOME screen, select HondaLink.
4. Certain features require you to send vehicle information to Honda. Select Enable Once, Always Enable, or Cancel.

■ HondaLink Menu

Select a menu option.

Places: Display restaurants, gas stations, and other locations. You can send a location to the navigation system and set a route.

Vehicle: Get instructional messages when your vehicle needs service.

Help & Support: Display tips for vehicle usage, get roadside assistance, or contact customer service.

Messages from Honda: Display helpful and important information from Honda.

If you have a new message, a yellow envelope icon appears at the top of the screen and a beep sounds. You can swipe down to view the message from any screen.

Weather: Display a weekly five-day weather forecast for any location.

Wi-Fi Connection

You can connect the audio system to the internet using Wi-Fi and use online services through the touchscreen. If your compatible phone has hotspot capabilities, the system can be tethered to the phone. Follow the steps below to set up Wi-Fi when the vehicle is stopped. Standard data rates apply with your phone service provider.

1. From the HOME screen, select Settings.
2. Select Bluetooth/Wi-Fi. Select the Wi-Fi tab.
3. Select Wi-Fi On/Off Status and select On.
4. Select Wi-Fi Device List. Make sure your phone's Wi-Fi setting is in access point (tethering) mode.
5. Select the phone you want to connect to the system. If the phone you want to connect does not appear, select Scan.
6. Select Connect.
7. Enter a password for your phone, if necessary. Select OK. The Wi-Fi symbol is displayed on the list when the connection is successful.

Apple CarPlay™

Connect an Apple CarPlay-compatible iPhone to the system. You can use the touchscreen to make a phone call, listen to music, and more. Visit the Apple CarPlay website for more information.

Park in a safe place before connecting your iPhone and launching any compatible apps.

1. Connect the iPhone to the 1.5A USB port.
2. Apple CarPlay requires you to send vehicle information to Honda. Select Enable Once, Always Enable, or Cancel. Your phone may prompt you to allow access for CarPlay to be launched.
3. From the HOME screen, select Apple CarPlay.
4. Select a menu option.

Phone: Access your contacts, make phone calls, or listen to voicemail. While connected to Apple CarPlay, calls can only be made through Apple CarPlay, not through *Bluetooth®* HandsFreeLink®.

Music: Play music stored on your iPhone.

Maps: View a map and operate navigation. You can only use Apple Maps or the pre-installed navigation system to set a destination with routing guidance.

Messages: View and reply to text messages or have messages read to you aloud by the system.

Once connected, press and hold the Talk button on the steering wheel to operate the system using voice commands with Siri Eyes Free.

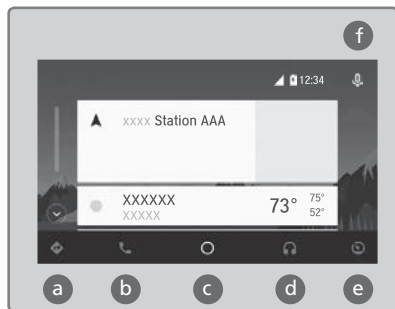

Depending on use, Apple CarPlay can share certain vehicle information (e.g., vehicle location, speed, and other operating conditions) with the connected iPhone. See Apple's privacy policy for details regarding Apple's use and handling of data uploaded by CarPlay. Use of CarPlay is at user's own risk and is subject to agreement to the CarPlay terms of use, which are included as part of the Apple iOS terms of use. CarPlay vehicle integration is provided "as is," and Honda cannot guarantee CarPlay operability or functionality now or in the future due to, among other conditions, changes in CarPlay software/Apple iOS, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Only use CarPlay when conditions allow you to do so safely. See your Owner's Manual at ev.owners.honda.com for further license and warranty terms.

Android Auto™

Connect a compatible Android phone to the system. You can use the touchscreen to make a phone call, listen to music, and more. Visit the Android Auto website for more information.

Park in a safe place before connecting your Android smartphone and launching any compatible apps.

1. Download the Android Auto app to your phone.
2. Connect the phone to the 1.5A USB port. The phone is automatically paired. A tutorial also appears.
3. From the HOME screen, select Android Auto.
4. Android Auto requires you to send vehicle information to Honda. Select Enable Once, Always Enable, or Cancel.
5. Select a menu option.

- a **Maps (Navigation):** View Google Maps and operate navigation. You can only use this system or the pre-installed navigation system to set a destination with routing guidance. You cannot enter destinations using the keyboard while the vehicle is moving.
- b **Phone (Communication):** Make phone calls or listen to voicemail. While connected to Android Auto, calls can only be made through Android Auto, not through *Bluetooth* HandsFreeLink.
- c **Google Now (Home screen):** Display useful information organized by Android Auto into simple cards that appear only when needed.
- d **Music and Audio:** Play Google Play Music from compatible apps. Select this icon to switch between music apps.
- e **Go back to the Home screen:** Go back to the vehicle system HOME screen.
- f **Voice:** Use voice commands via Google Voice Search to operate Android Auto. You can also press and hold the Talk button on the steering wheel to say voice commands.

Depending on use, Android Auto can share certain vehicle information (e.g., vehicle location, speed, and other operating conditions) with Google and its service providers. See Google privacy policy for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle integration is provided "as is," and Honda cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Only use Android Auto when conditions allow you to do so safely. See your Owner's Manual at ev.owners.honda.com for further license and warranty terms.

FM/AM Radio

Play FM or AM radio stations.

Source:

Select the FM or AM icon.

Scan: Scan for each station with a strong signal.

Tune: Change the station.

Presets:

Select and hold a preset number to store the current station. Select a preset number to select a previously stored station.

Open/close: Display or hide the station list or preset list.

Seek: Search for the next or previous station with a strong signal.

SiriusXM® Radio

Available on a subscription basis only. For more information or to subscribe, contact your dealer or visit www.siriusxm.com/subscribeNOW.

The diagram shows a car's infotainment screen with the SiriusXM interface. Callout lines point from various screen elements to descriptive text blocks:

- Source:** Select the SiriusXM icon. (Points to the 'SOURCE' button on the left sidebar)
- Scan:** Scan for each station with a strong signal. (Points to the 'SCAN' button on the left sidebar)
- Category:** Change the category. (Points to the 'Category' button at the bottom)
- Presets:** Select and hold a preset number to store the current station. Select a preset number to select a previously stored station. (Points to the '1 CH 001' preset button)
- Open/close:** Display or hide the channel list or preset list. (Points to the 'Channel' button at the bottom)
- Skip:** Change the selection. Press and hold to skip rapidly. (Points to the 'Skip' button at the bottom)
- Channel:** Change the channel. Press and hold to skip 10 channels at a time. (Points to the 'Channel' button at the bottom)

To learn about additional features—such as multi-channel preset, replay, or SportsFlash—see your Owner's Manual at ev.owners.honda.com.

*Available in the U.S. and Canada, except Hawaii, Alaska, and Puerto Rico.
XM® is a registered trademark of Sirius XM Radio, Inc.*

iPod®

Play and operate an iPod through the vehicle's audio system. Connect your device to the USB port.

If an iPhone is connected via Apple CarPlay, the iPod source is unavailable and audio files on the phone can only be played within Apple CarPlay.

■ Searching for Music

Use the touchscreen to search for tracks stored on the iPod.

1. From the audio screen, press MENU.
2. Select Music Search.
3. Select a search option.
4. Select the track you want to play.
5. You can also search for and play iPod music using Song By Voice.

iPod is a trademark of Apple, Inc.

USB Flash Drive

Play and operate a USB flash drive through the vehicle's audio system. Connect your device to the USB port.

■ Searching for Music

Use the touchscreen to search for tracks stored on the USB flash drive.

1. From the audio screen, press MENU.
2. Select Music Search.
3. Select Music.
4. Select a folder.
5. Select the track.

On vehicles with navigation, you can also search for and play music from the flash drive using Song By Voice.

Bluetooth® Audio

Play streaming or stored audio from your compatible phone through the vehicle's audio system. Visit automobiles.honda.com/handsfreelink/ or call (888) 528-7876 to check phone compatibility. Standard data rates apply with your phone service provider. Connect your phone to *Bluetooth HandsFreeLink*.

If a phone is currently connected via Apple CarPlay or Android Auto, *Bluetooth Audio* from that phone is unavailable.

■ Searching for Music

Use the touchscreen to search for tracks stored on the device.

1. From the audio screen, press MENU.
2. Select Music Search.
3. Select a search category.
4. Select the track you want to play.

Notes:

- Make sure the volume on your phone is properly adjusted.
- You may need to enable additional settings on your phone for playback.
- Certain audio controls are not supported on all phones.

Applicable laws may prohibit the operation of handheld electronic devices while operating a vehicle. Launch streaming audio on your phone only when it is safe to do so.

Pandora®

Play and operate Pandora from your compatible phone through the vehicle's audio system. Visit automobiles.honda.com/handsfreelink/ or call (888) 528-7876 to check phone compatibility. Standard data rates apply with your phone service provider. **Connect your phone when the vehicle is stopped.**

For iPhone:

- Connect via *Bluetooth* HandsFreeLink or USB port.
- A pop-up may appear on your phone requesting you to allow access for Pandora to be launched.
- If you cannot operate Pandora through the audio system, it may be streaming through *Bluetooth* Audio. Make sure Pandora is selected on the audio system.
- If Pandora still does not operate, try rebooting the phone and reconnecting the cable if necessary.

For other compatible smartphones:

- Connect via *Bluetooth* HandsFreeLink.
- If your phone is connected to Android Auto, Pandora is only available through the Android Auto interface. Visit the Android Auto website to check compatibility.

Applicable laws may prohibit the operation of handheld electronic devices while operating a vehicle. Launch streaming audio on your phone only when it is safe to do so.
