

■ Changing the Power Mode*

Use the ENGINE START/STOP button to cycle through power modes or start the engine.

Accessory or On mode: Press ENGINE START/STOP once without pressing the brake pedal for Accessory mode. Press it again for On mode.

Starting the engine: Press and hold the brake pedal (and the clutch for manual transmission), then press ENGINE START/STOP. Keep your foot firmly on the brake pedal when starting the engine. If you press the button and the shift lever is not in Park (P), the vehicle goes into Accessory mode.

Turning the vehicle off: Shift to Park (P) (or apply the parking brake for manual transmission), then press ENGINE START/STOP.

**if equipped*
