

Seat Heaters*

Quickly warm the front seats when the vehicle is on.

Touch the seat heater icon on the climate control panel.

Once: HI setting (two indicators)

Twice: LO setting (one indicator)

Three times: Turn the seat heaters off.

WARNING

Heat-induced burns are possible when using seat heaters.

Persons with a diminished ability to sense temperature (e.g., persons with diabetes, lower-limb nerve damage, or paralysis) or with sensitive skin should not use the seat heaters.
