

Customized Features

Customize certain features when the vehicle is in Park (CVT models) or the parking brake is set (manual transmission models).

■ How to Change a Setting

Models with Color Audio

Use the selector knob to make and enter selections.

1. Press the MENU/CLOCK button.
2. Select Settings.
3. Select a setting option and make your preferred changes.
4. Press the Back button to exit the menus.

Models with Display Audio

Select items on the touchscreen to make selections.

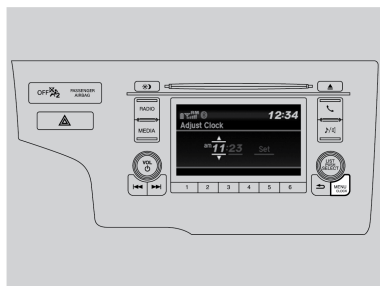

1. From the HOME screen, select SETTINGS.
2. Select an option (Clock/Info, Audio, *Bluetooth*[®]/Wi-Fi, Smartphone, Phone, Camera, System, or Navigation *1).
3. Select a setting option and make your preferred changes.
4. Press BACK to exit the menus.

Setting the Clock

On vehicles without navigation, use the interface dial to adjust the time in the clock display. On vehicles with navigation, the time is automatically set using GPS signals.

Models with Color Audio

1. Press and hold the MENU/CLOCK button.
2. Rotate button to change the hour, then press the MENU/CLOCK button.
3. Rotate button to change the minute, then press the MENU/CLOCK button.
4. To enter the selection, rotate button, select Set, then press MENU/CLOCK button.

*1 - If equipped

VEHICLE CONTROLS

Models with Display Audio

1. Press the HOME, then select Settings.
2. Select Clock/Info.
3. Select Clock Adjustment.
4. Tilt the interface dial to choose the item you wish to change. Rotate the interface dial to change the value. Press the interface dial to exit the screen.
5. Select OK to set the time.
