

### Android Auto™

#### Models with Display Audio

Connect a compatible Android phone to the system. You can use the touchscreen to make a phone call, listen to music, and more. Visit the Android Auto website for more information.

Park in a safe place before connecting your Android smartphone and launching any compatible apps.

1. Download the Android Auto app to your phone.
2. Connect the phone to the front USB port (see USB Port). The phone is automatically paired. A tutorial also appears.
3. From the HOME screen, select Android Auto.
4. Android Auto requires you to send vehicle information to Honda. Select Enable Once, Always Enable, or Cancel.

#### **NOTICE**

When you first use Android Auto, a tutorial will appear on the screen. We recommend you complete this tutorial while safely parked before using Android Auto.

*Depending on use, Android Auto can share certain vehicle information (e.g., vehicle location, speed, and other operating conditions) with Google and its service providers. See Google privacy policy for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk, and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle integration is provided "as is," and Honda cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Only use Android Auto when conditions allow you to do so safely. See your Owner's Manual at [owners.honda.com](http://owners.honda.com) (U.S.) or [myhonda.ca](http://myhonda.ca) (Canada) for further license and warranty terms.*
