

HondaLink[®]*1

A subscription-based service that provides convenient features such as voice communication in case of emergency, online security, and one-on-one operator assistance.

To check phone compatibility and get more information, visit handsfreelink.com. Canada customers can phone (855) 490-7351 for any HandsFreeLink[®] related inquiry. Standard data rates may apply with your phone service provider.

■ HondaLink[®] Connection

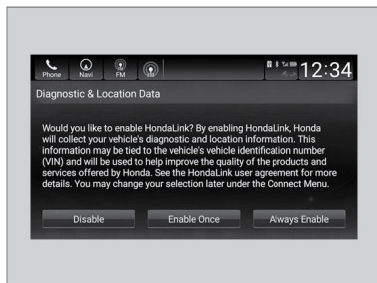

Follow the steps below to connect to HondaLink[®] and use its features.

You need to allow the consent of the location service to enable the HondaLink[®].

Disable: Does not allow this consent.

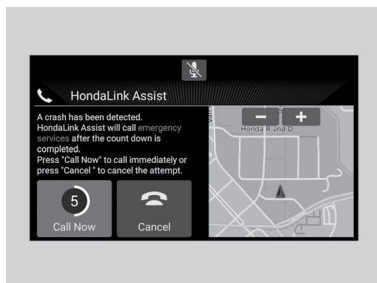

Enable Once: Allows only one time.
(Shows again next time.)

Always Enable: Allows anytime. (Never show again.)

■ HondaLink[®] Assist*1

If your vehicle's airbags deploy or if the unit detects that the vehicle is severely impacted, your vehicle automatically attempts to connect to the HondaLink[®] operator. If connected, information about your vehicle, its location, and its condition can be sent to the operator*1; you also can speak to the operator when connected.

**1 - If equipped*
