

HondaLink[®]*1

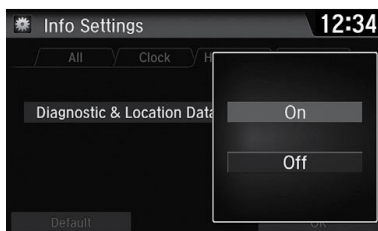

A subscription-based service that provides convenient features such as voice communication in case of emergency, online security, and one-on-one operator assistance*1.

To check phone compatibility and get more information, visit handsfreelink.com. Canada customers can phone (855) 490-7351 for any HandsFreeLink[®] related inquiry. Standard data rates may apply with your phone service provider.

■ HondaLink[®] Connection

Follow the steps below to connect to HondaLink[®] and use its features.

1. Select Home.
2. Select Settings.
3. Select Info.
4. Select the HondaLink tab.
5. Select Diagnostic & Location Data.
6. Select On.

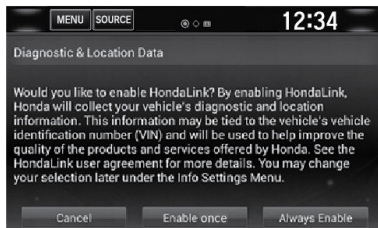

You need to allow the consent of the location service to enable the HondaLink[®] service.

Enable once: Allows only one time.
(Prompt shows again next time.)

Always Enable: Allows anytime.
(Prompt does not show again.)

Cancel: Does not allow this consent.

■ HondaLink[®] Assist*1

If your vehicle's airbags deploy or if the unit detects that the vehicle is severely impacted, your vehicle automatically attempts to connect to the HondaLink[®] operator. If connected, information about your vehicle, its location, and its condition can be sent to the operator*1; you also can speak to the operator when connected.
